Muhlenberg  
College06-07

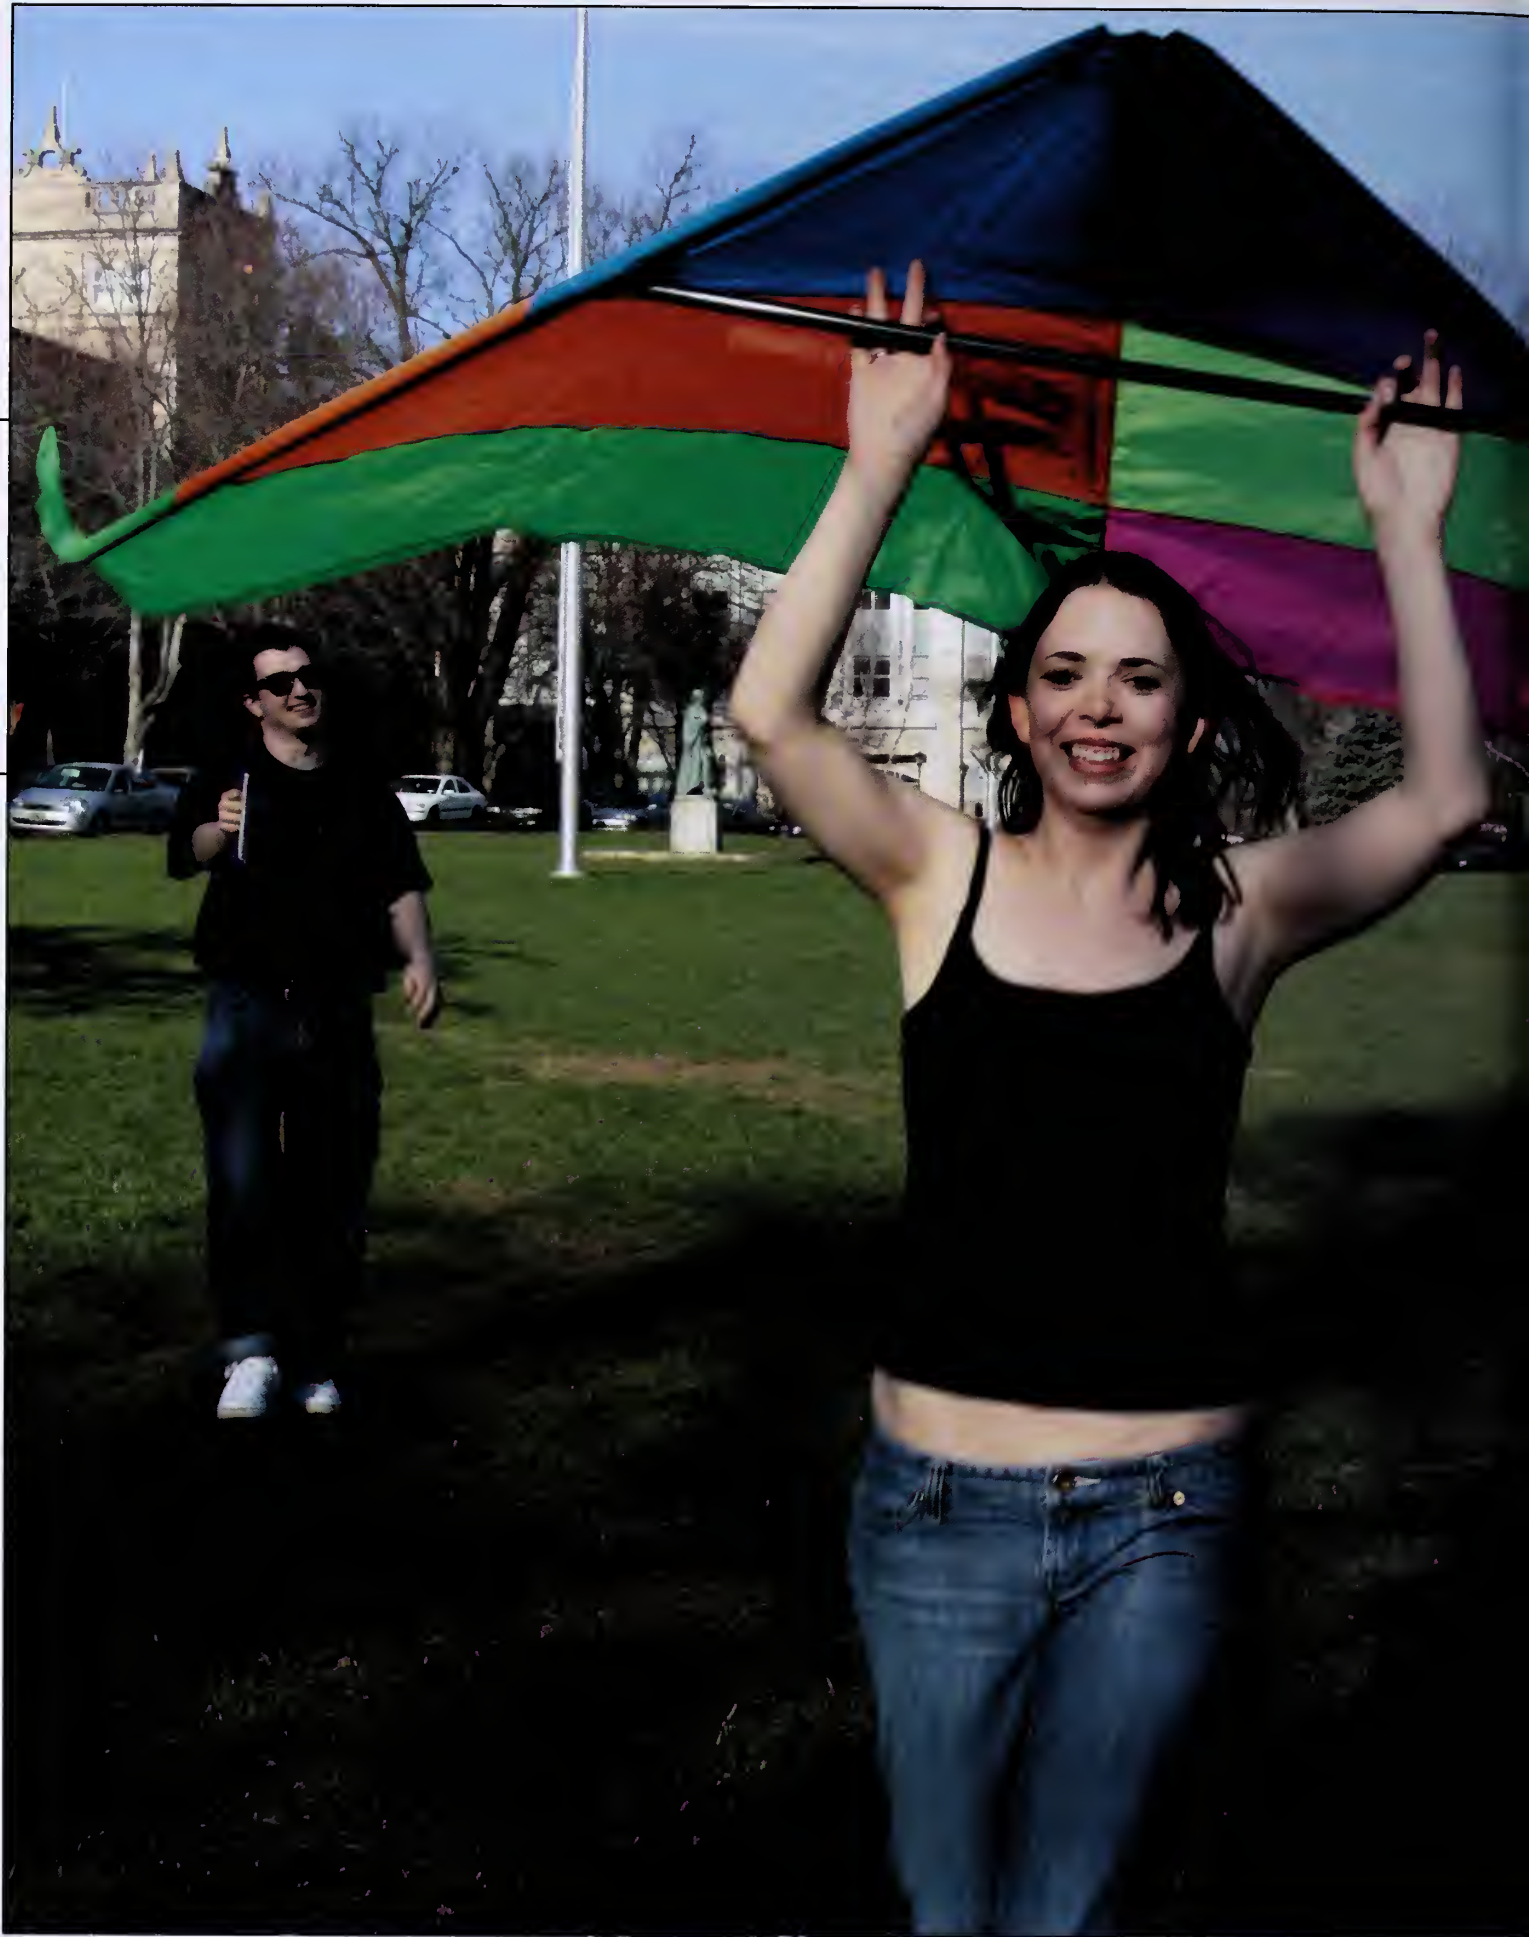

Memories are made  
here.

# A Letter From the President...

## *Friends for Life*

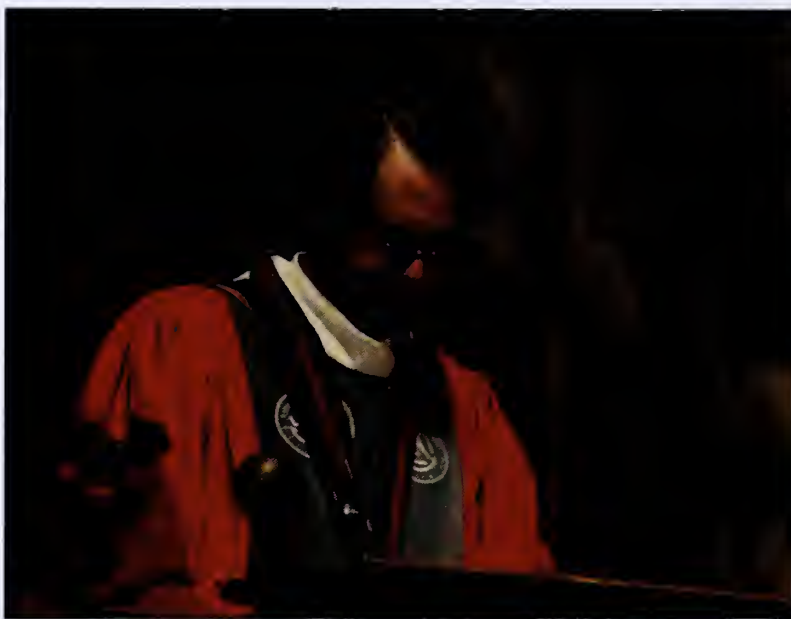

College yearbooks are peculiar beasts. You have received this months after graduation. You have moved on. You are busy. Perhaps you are so busy that you have lost touch with many of your Muhlenberg classmates and friends. Ciarla arrives. What do you do? Admit it, you do what everyone does – you look for pictures of your-

self. Then, time permitting, you look for pictures of friends. Maybe, just maybe, you even read this essay. You set the yearbook aside, perhaps on a coffee table or a shelf. You are young, you are mobile. You pack it in a box with other books. It may stay in that box

for years, either in your parents' basement or you may schlep the box around as you move from one dwelling to another. Eventually, perhaps years from now, a spouse or partner may ask you "honey, what's this? Do we need to keep it or can I throw it out?" "Let me have a look," you'll say. And you do, and the memories will come flooding back. First you look at yourself again. Yes, you really were that young once. Yes, you really wore your hair like that (guys- yes, you really had hair

back then). Then you will look at the pictures of your friends and your professors (who will look much younger than you remembered them).

I am a happy man with few regrets (or, if you are reading this decades in the future, perhaps I should say "I was a happy man with few regrets." For all I know I may be dead and gone by the time you get around to read-

ing this). But I do have one regret – that I didn't invest more time and energy over the years in nurturing and sustaining contact with my friends from college. After graduation I had moved on. I was young. I was busy. I was mobile. But I have finally learned that you will never make friends like the friends you had in College – so my advice is that you do whatever it takes to keep them. These are the friends who helped you figure out the person you were meant to be. They appre-

ciated your sense of humor and your talents. They encouraged you when you were down. They turned to you when they needed comfort. They knew you, understood you, treasured you in ways even your family could not know, understand, and treasure you. These friendships are a rare and special gift that Muhlenberg has given you. Do not neglect them.

Muhlenberg is an academic institution to be sure, but we believe in educating the whole person. And we understand that an important part of that education is the lessons we learn from having and being friends. The College honors that understanding by sponsoring reunions every five years so that alumni can reconnect with their friends. I hope you have and will take advantage of these opportunities to reconnect. But don't wait for reunion. Keep in touch with your classmates. And keep in touch with your College. Whether you are a newly minted graduate reading this Ciarla hot off the presses or a nostalgic alum, leafing through it years later, Muhlenberg needs your engagement as a volunteer, a booster, and a donor. The investment you make in your College, like the investments you make in your College friendships, will pay rich dividends. I guarantee it.

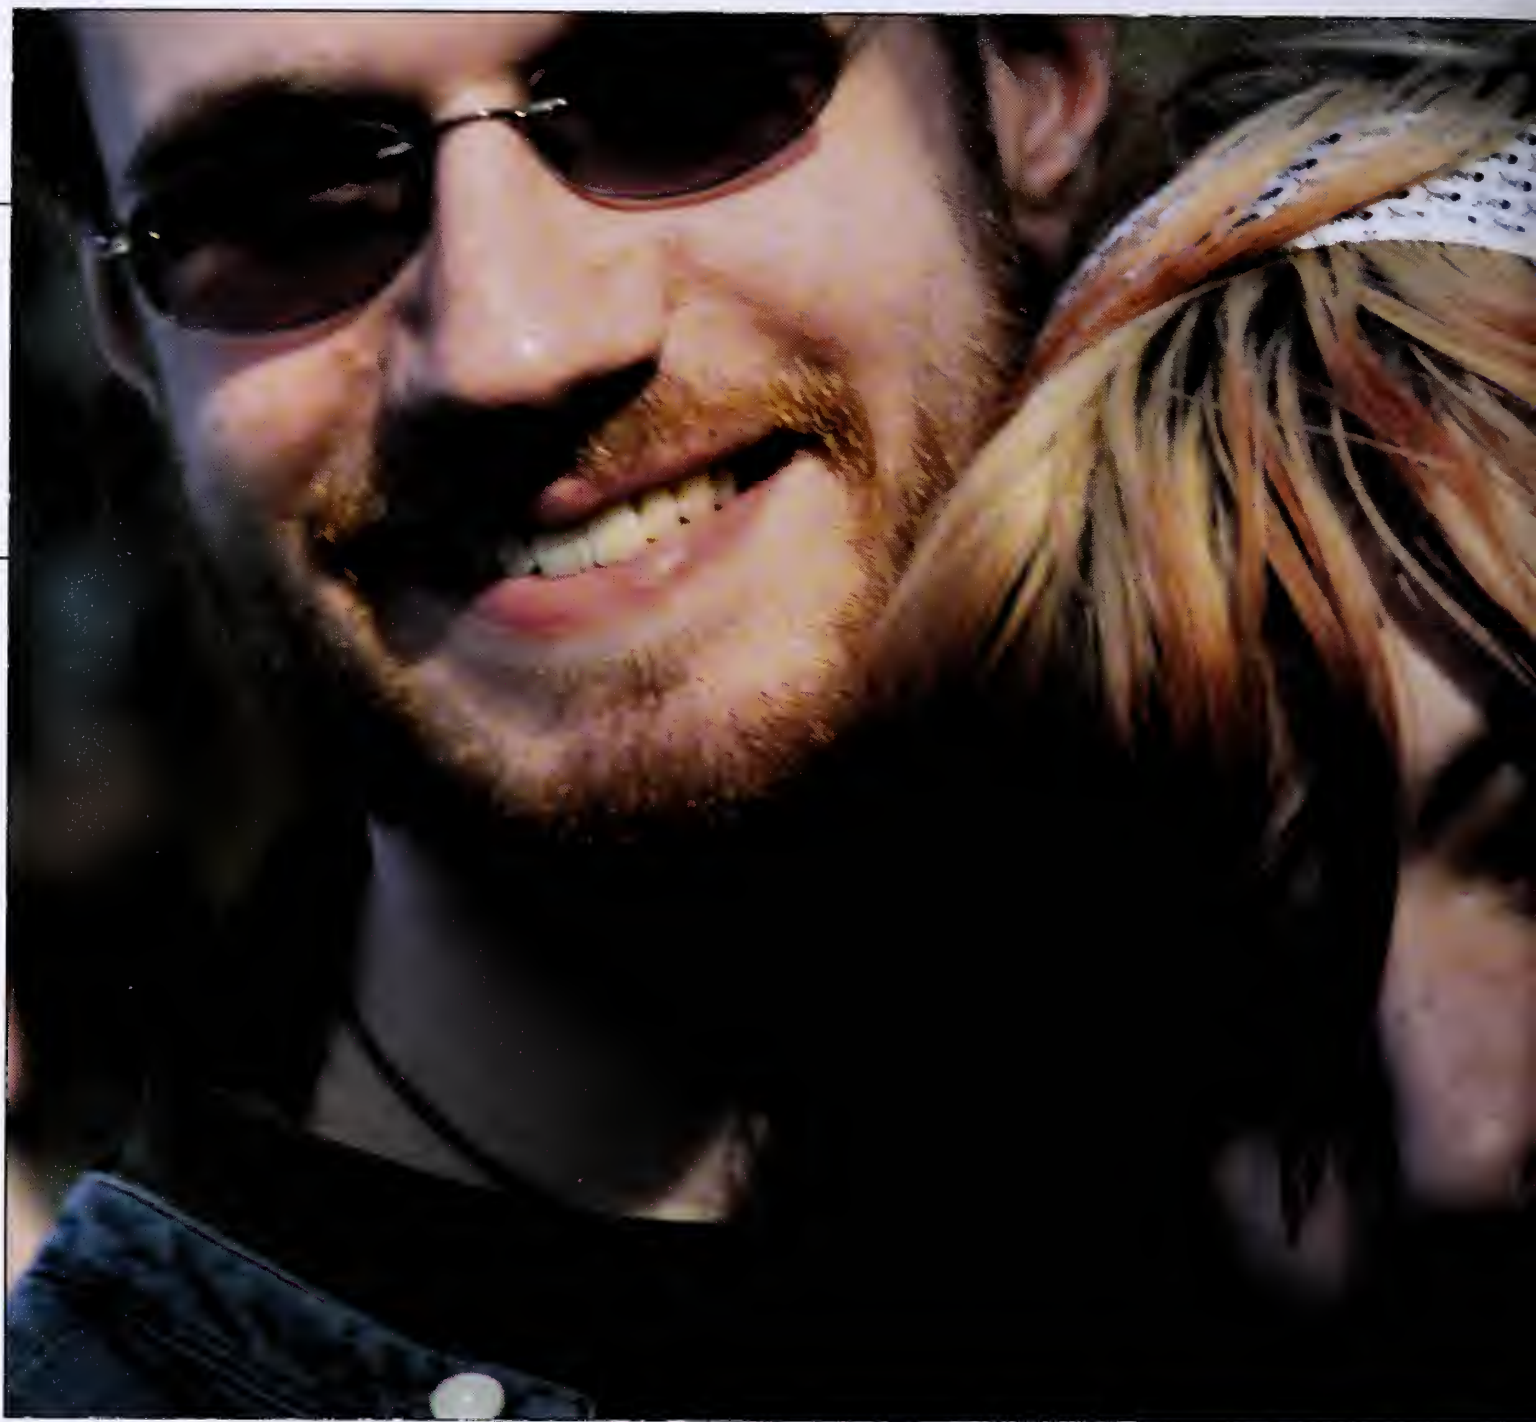

-Peyton R. Helm

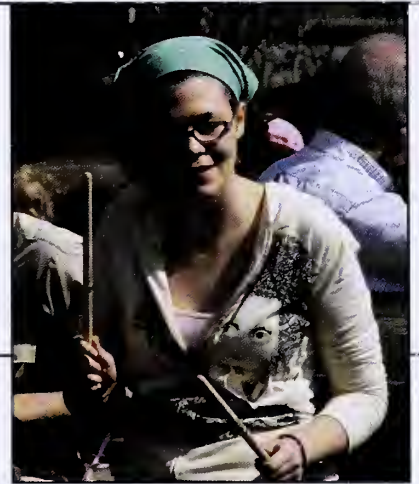

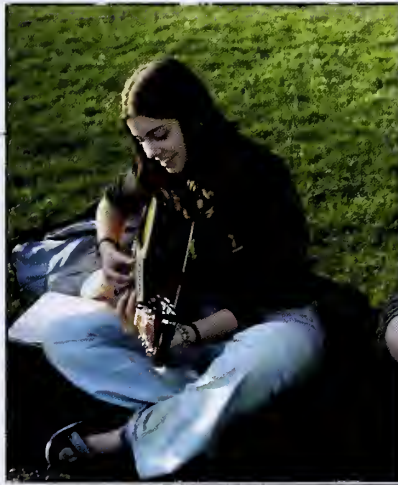

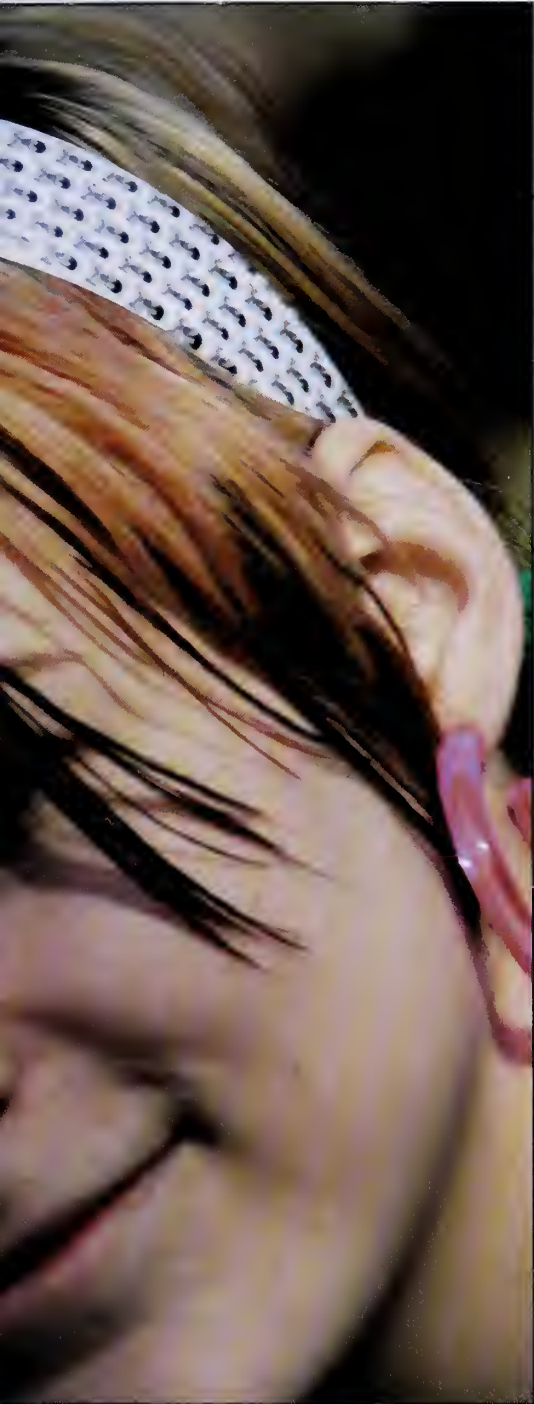

A photograph of three people, two women and one man, smiling and posing behind a table. The man on the left is wearing a black t-shirt with a white graphic that says "Gasp!". The woman in the middle is wearing a black and white striped sweater. The woman on the right is wearing a green t-shirt with a white graphic. On the table in front of them is a yellow sign that says "This Is Our Customer Satisfaction Knob" and a BSW logo. There is also a white bottle and some other items on the table.

A large crowd of spectators is gathered at an outdoor sports event, likely a basketball game. In the foreground, a young man in a white hoodie smiles, and a man in a grey hoodie with "SEABOARD HAWKS" on it looks on. A red basketball is visible in the air above the crowd.

## Always striving to create a diverse and active community

The Muhlenberg Campus is always an active campus, ranging from Homecoming Weekend and Activities fair, to BBQ's and midnight breakfasts! There is always something to do, day or night. If the Red door is not hosting a Tarot card reader, you can be sure that there is a student performance in the ML underground, or a fascinating production in the black box theatre.

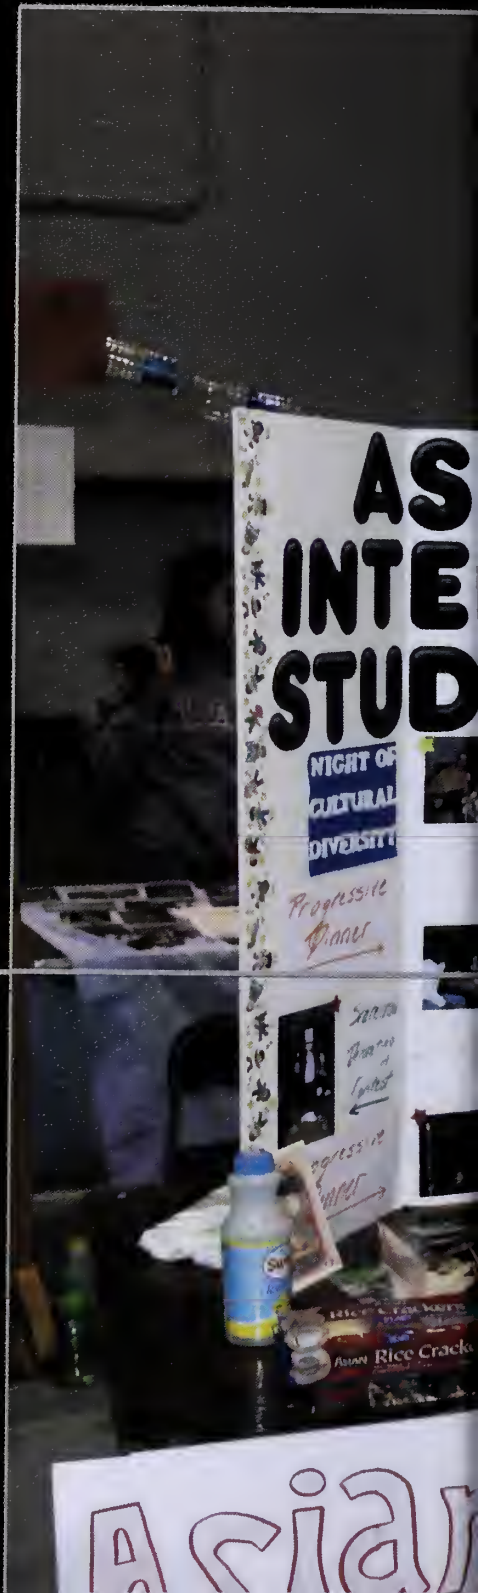

Each and every activity at the 'Berg is special and unique in that students are always

involved and eager to participate in something new and exciting. Student participation and Muhlenberg pride are what create such magic on the Muhlenberg Campus every day. Thanks to Muhlenberg students, activities, faculty and supporters, Muhlenberg has an unmistakable charm. On the following spreads, one can only get a small taste of the endless possibilities thanks to Muhlenberg support and student involvement here on campus.

**A**ctivities Fair is a wonderful time for new students, or interested students to learn about all of the wonderful clubs and organizations that Muhlenberg has to offer. These student-run clubs and organizations represent themselves at this event and reach out to fellow students in order to expand their "team" and work together toward a good cause. From Yearbook to Comunidad Latina, each and every organization leaves a mark on this campus and uses their special gifts, as a team, to add something unique and meaningful to the Muhlenberg community. Although it was a rainy day, the Activities Fair, which is usually along Academic Row, found a way to be outstanding and popular in the Life Sports Center.

## Getting Involved...

## The Big Face-off

Seniors patiently await the Homecoming Court in the blustery bleachers.

## Never ending support

Those who aren't playing are supporting. Students come out to make sure their friends have a positive crowd.

# A community full of Pride & Spirit

**H**omecoming Weekend at the 'Berg is definitely one of the most exciting. School Spirit is practically tangible in the air as students, parents, athletes, and performers are running around preparing to celebrate, play, and perform. From returning alumni with children, to first year students, the campus is full of pride and cheers, not to mention many, cameras! An excited homecoming court and pumped up sports teams prepare for weeks to face-off and show their parents how all of their hard work and time pay off here at the

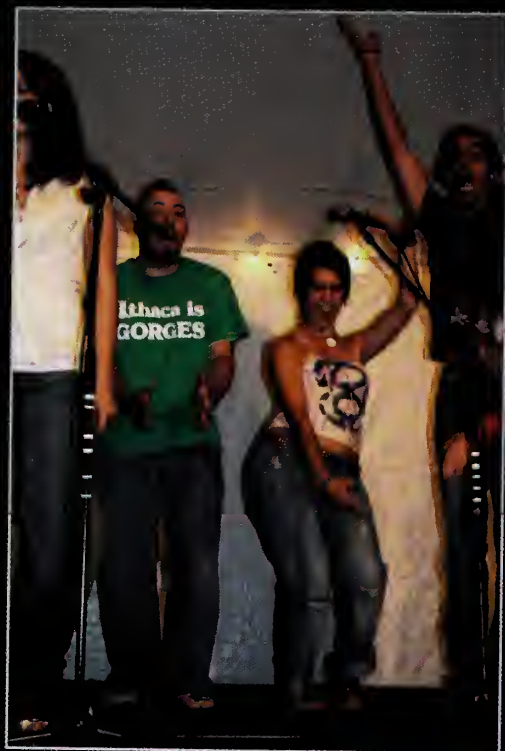

'Berg. Supporters get rowdy in the stands as cheerleaders hype up the crowd, and the beautiful weather makes everyone smile. Basically, Homecoming is a very happy time at Muhlenberg-- it's a time full of support, a time, which exudes a great sense of community, and a time that reminds you

how fast time flies when you are having fun. The fun doesn't stop at the field, Academic Row is lined with student-made scarecrows representative of organizations, fraternities, sororities, and even our dear President, Randy Helm.

A Muhlenberg Mule look-alike proudly stands on academic row in the scarecrow competition .

One thing that Muhlenberg is not short of is A capella groups! Above, the Muhlenberg Dynamics perform with tons of energy.

To the right, the AcaFellas serenade incoming freshmen.

From dance and step teams to comedy skits and singers, the incoming class sits by in awe.

Below, The Girls Next Door, an all female A capella group here at the 'Berg, performs one of their favorite songs.

## Endless talents & wonderful performances welcome new students to the 'berg

Every student can remember their first talent show experience, which traditionally kicks off the first week back at the 'Berg after a long and relaxing summer. It is typically a warm, summer night full of curious and apprehensive new students interested to see what student life at the 'Berg is like. Students perform with energy and passion to show the

incoming students their dedication and interest in campus-wide activities. Freshman faces glow with interest as the performers entertain and exhibit how rewarding it is when hard work pays off. This is just one example of how there can be so much creativity and such a sense of community in one little white tent!

The Senior Picnic is a time for seniors to relax and reflect before they have to buckle down. Student performers grace the stage with their beautiful voices and incredible talents, many thanks to the 'Berg. Each year, the big white tent stands proudly on the library lawn, representing the class, that is about to realize how time flies when you're having fun. Seniors could never forget moments like, these-- toasts with friends, peers performing, campus food, and a special event spent together. Inside the tent is celebration and laughter, but shortly thereafter, many seniors find themselves concentrating across the lawn... in the library. By the time 50 days comes around, seniors have been working hard and are ready for another school-sponsored senior celebration.

///Cheers to an unforgettable  
four years... and our futures  
ahead///

Seniors make themselves comfortable in the gym as they enjoy BBQ delights.

Below, seniors enjoy a burger and a good laugh.

# good food Senior BBQ good times

**N**ot even rain could stop the senior class and staff this past year

when it came time to enjoy the traditional senior BBQ. Although Victor's Lament missed a good time, student bands and other performers, as well as the

senior class, were all sure to attend the festivities in the newly renovated and beautiful Life Sports Center. From Burgers and hot

dogs to endless deserts and salads, a Muhlenberg senior can never forget the ingredients to a typical

Muhlenberg BBQ. Good laughs, good food and good times were all present at this one! It won't be long before all of these seniors meet up again at events throughout the year before gradu-

ation arrives, not counting the daily encounters on Academic row!

# Scotty Wood celebration

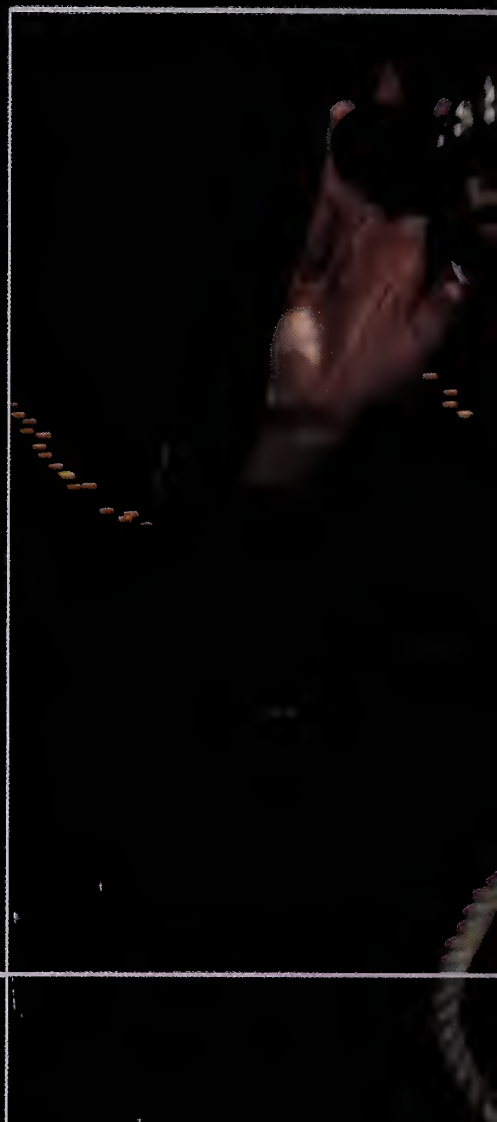

Fun and games hype up 'Berg students before the famous Scotty Wood basketball Tournament!

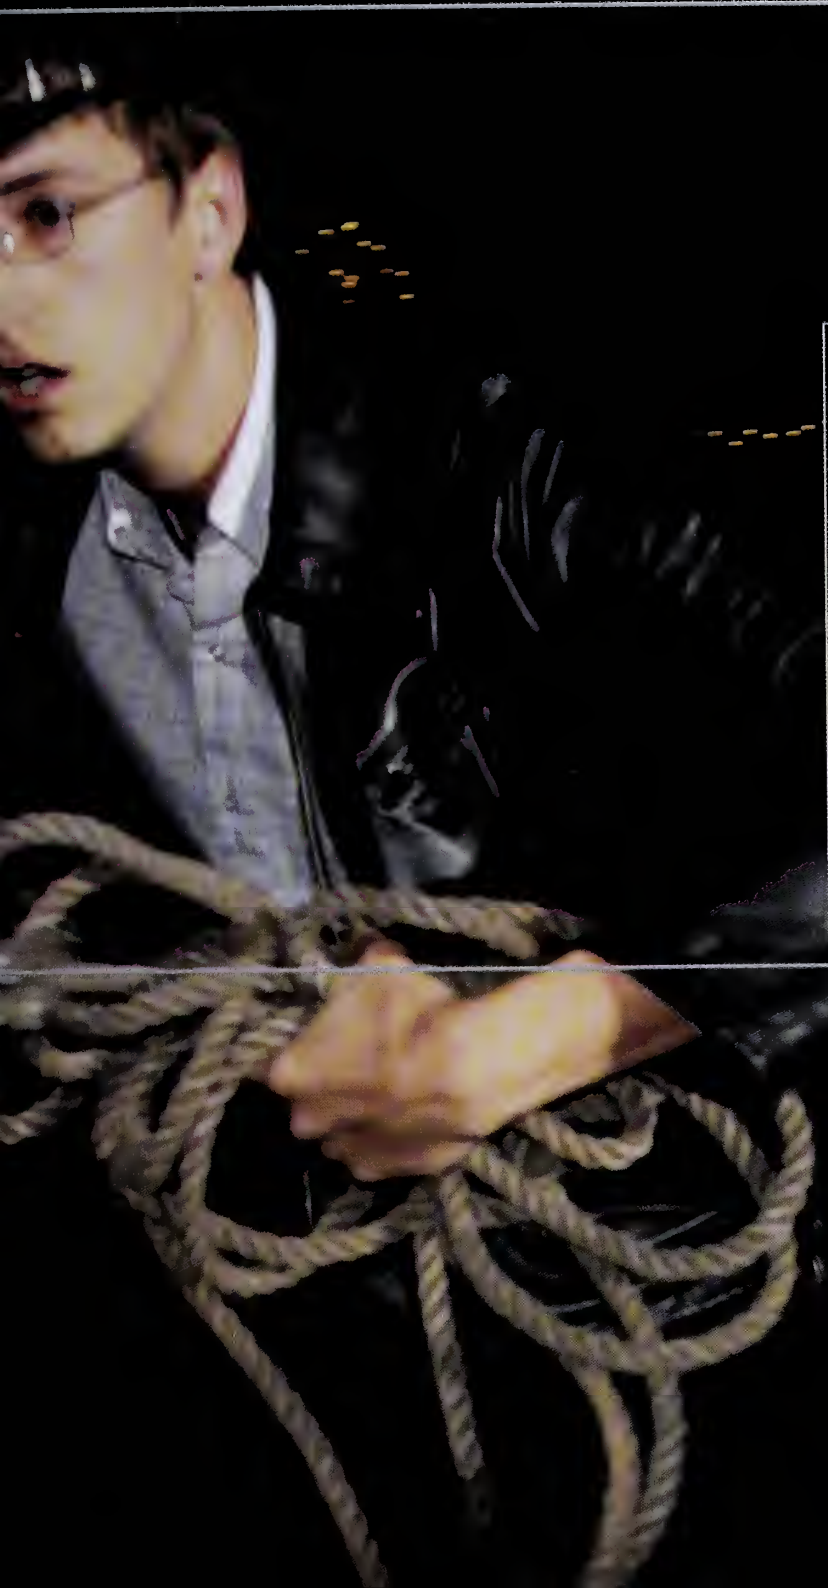

# Mr. Muhlenberg

This years' Mr. Muhlenberg competition was packed with musical talents, fine acting, unbelievable dancing, and ... burping... of the Muhlenberg alma mater. The Mr. Muhlenberg contestants were totally enthusiastic and highly entertaining. Just like last year's competition, the night was full of unexpected surprises. From men in hilarious bathing suits to quirky skits, these contestants knew how to work the audience! Each year, Muhlenberg students look forward to packed bleachers, an entertaining performance by Muhlenberg's finest, and the opportunity to figure out what makes Mr. Muhlenberg so special. Watch out for the competition next year, for they just keep getting better!

Muhlenberg's finest men  
compete for the  
Mr. Muhlenberg title.

# Annual concert

# Ben

# East Fest

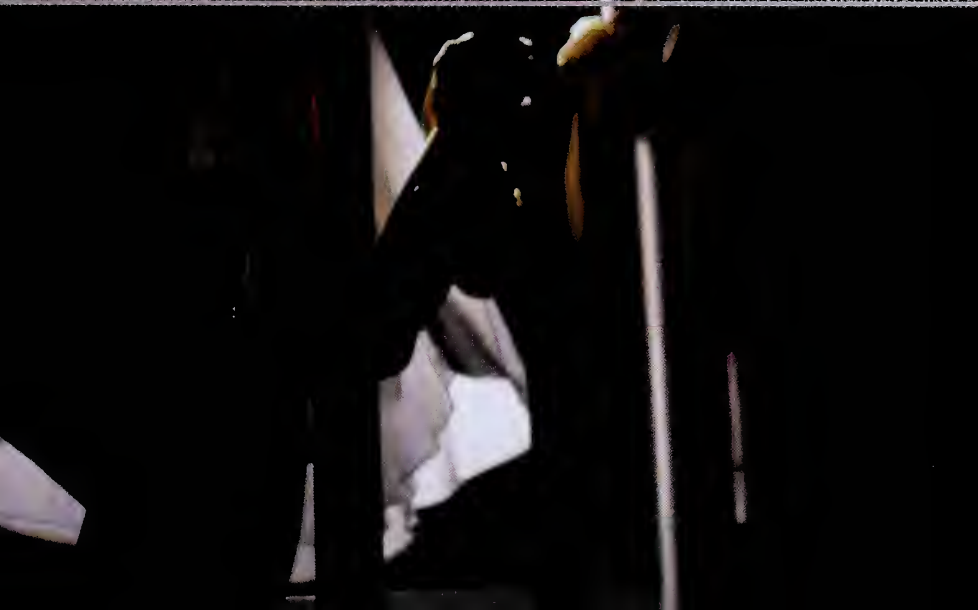

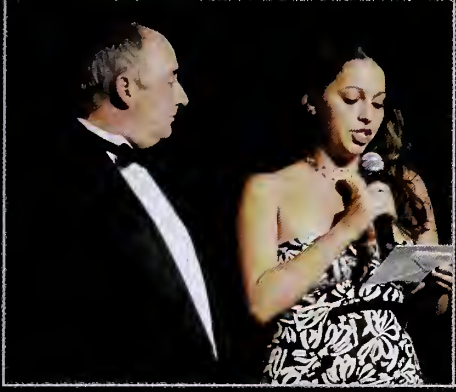

Every year here at the 'Berg, East quad fills up with students, enormous blow up gadgets, music, and food! Sometimes a bit scary, these inflatable games allow students to have fun, act silly, and take a nice relaxing break before they will have to start studying for finals the following week. "The weather was perfect, the music was fabulous and the cotton candy never tasted so good", commented a senior who was enjoying her very last East Fest.

# Henry Awards

The Henry Awards were hosted in the CA this year, and many performers graced the stage sharing what they had been working hard on all year. From a cappella groups to dancers and steppers. The Henrys were not lacking in any department. Awards given to our outstanding faculty and students brought a smile to everyone's face, as the community celebrated the wonderfulness of Muhlenberg. It was a beautiful night and the perfect opportunity to acknowledge all of Muhlenberg's hard-working students, artists, professors, performers and many others.

# Rocky HORROR PICTURE SHOW

**I**t has been a Muhlenberg tradition for quite some time now-- the Rocky Horror movie viewing/ reenactment! The event is hosted and attended by a very enthusiastic group of students that share a passion for the good old & well known Rocky Horror film. This group of students gathers in the Red Door Cafe and celebrates the amazing Rocky Horror film. The film is projected on to a large

screen that hangs behind participating actors who reenact each scene by "lip syncing" the well-known phrases and songs. Not only do the students watch, reenact and interact with the film, but they also go out of their way to dress up accord-

ing to the Rocky Horror theme. When they adorn themselves in lace and top hats, they are aiming to either impersonate their favorite characters, or invent a Rocky Horror character of their own. To an outsider the event may seem confusing and a bit

overwhelming, but after some time students at the 'Berg learn that this is a place where anything goes! So, next time you are in GQ getting bagel

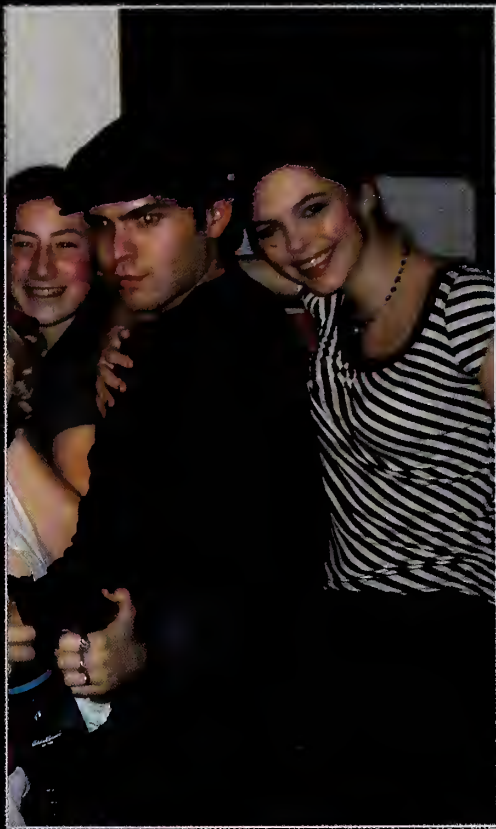

bombers with your roommates and you see a fellow student sporting unusual attire, ask if you can join them in the Red Door to celebrate the Rocky Phenomenon! The larger the crowd, the better the event!

Muhlenbergs Psychology department faculty squeeze together for a picture.

# Academics

## at their best

Muhlenberg College prides itself on its outstanding academic reputation. It has earned this reputation by consistently inviting only the most gifted and excellent faculty and staff. Small student to professor ratios make it possible for professors to get to know students on a personal level and to take interest in each student's well-being. In every classroom there exists a meaningful relationship between the students and their professor. All professors have offices hours and make an effort to be available outside of the classroom for any help students may need. In addition, many students enjoy taking advantage of these office hours just to stop by and say hello, or discuss the newest and most exciting topics discussed in class. Without its wonderful faculty, Muhlenberg would not be as special as it is!

# Accounting, Business & Economics

**Accounting, Business, & Economics:** Dr. Donna Bergenstock, Dr. Donald Dale, Ms. Jamie Doran, Ms. Gail Eisenberg, Ms. Justine Frantz, Dr. Paul Frary, Dr. George Heitmann, Ms. Paula Irwin, Dr. Donna Kish-Goodling, Dr. Trevor Knox, Dr. Roland Kushner, Dr. Samuel Laposata, Dr. Peter Linder, Dr. Michael London, Dr. James Marshall, Dr. Holmes Miller, Ms. Catherine Ramella, Dr. Arthur Raymond.

# Music & Art

**Music Department:** Dr. Douglas P. Ovens , Dr. Theodore A. Conner (Head of Department), Dr. Diane W. Follet, Jeremy Slavin, Patricia Helm, Annie Petit (Not pictured) Daniel Boring

**Art Department (Not pictured):**

Raymond S. Barnes, Joseph E. B. Elliott, Amze Emmons, Leslie Fletcher, Susan Frederick, David Haas, Carol Heft, Jadviga da Costa Nunes, Christine Oaklander, Ara Osterweil, Kevin Tuttle, Scott Sherk.

# Biology

**Biology Department:** Dr. Mary Constant Byrne, Chrysan Cronin, Dr. Marten Edwards, Dr. Amy Hark, Dr. Erika Iyengar, Dr. Daniel Klem, Dr. Elizabeth R. McCain, Dr. Paul Meier, Dr. David Much, Dr. Richard Niesenbaum (HEAD of DEPARTMENT), Dr. W. Robert Stamper, Dr. Jeremy Alden Teissère, Margaret Tsao, Dr. Bruce Wightman

# Chemistry

**Chemistry Department (Not pictured):** Dr. Donald Shive (Head of Department), Dr. Bruce Anderson, Dr. Marsha Baar, Dr. Keri Colabroy, Dr. Christine Ingersoll, Dr. Joseph Keane, Dr. Jason Kelsey, Dr. Charles Russell, Dr. Marion Smith, Elaine Gannon, Dr. Sujata Jagota, LuAnn Feist, and Winifred Sell.

# Media & Communication Education

Dr. S. Mohsin Hashim, Dr. Lanethea Matthews-Gardner, and Dr. Michele Deegan.

# Psychology

**Psychology Department:** Dr. Linda Bips, Dr. Laura Edelman Department Chair, Dr. Kathleen Harring, Dr. Tomoe Kanaya, Dr. Katherine Richmond, Dr. Jeff Rudski, Dr. Mark Sciutto, Dr. Alan Tjeltveit, Dr. Connie Wolfe, Dr. Elissa Wurf, and Ann Spengler.

# Religion Sociology & Anthropology

**Religion Department:** Sharon Alber, Dr. Willian Gruen, Dr. Hartley Lachter, Dr. Peter Pettit, and Dr. Susan L. Schwartz.

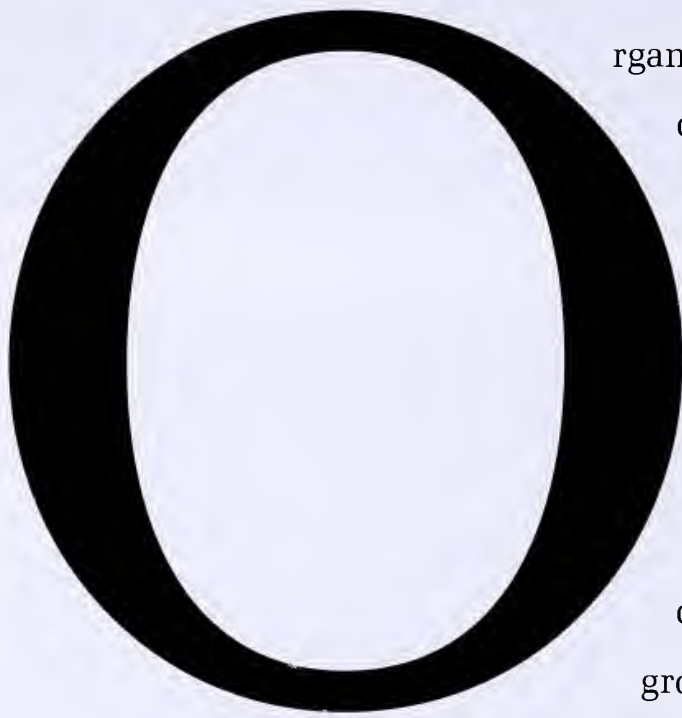

**Anthropology and Sociology (Not pictured):** Dr. William Abruzzi, Dr. Janine Kay Gwen Chi, Dr. Anne Esacove, Dr. J. Christopher Kovats- Bernat, Dr. Tammy L. Lewis, Dr. Amber VanDerwarker, Dr. Gregory Wilson, and Tracey Kline.

# Theatre & Dance

**Theatre and Dance Departments:** Tim Averill, Patty Carlis, Constance Case, Holly Caste, Michael Chin, Curtis Dretsch, Troy Dwyer, James Peck, Charles Richter, Francine Roussel, Beth Schachter, Charles Anderson, Kathleen Bibalo, Pattie Bostick, Corrie Franz Cowart, Susan Creitz, Karen Dearborn, Gayanne Grossman, Ellen Troy Mulcahy, Shelley Oliver, Samuel Reyes, Jennifer Weaver, Lara Berich, Jess Bien, Beth Cunningham, Damon Gelb, Tracy Kline, Marilyn Roberts, Gordon Sanfacon, and Paul Theisen.

rganizations are only one part of life on a college campus, but student clubs and interest groups are so important in enriching the campus community as well as the individual experiences of students here at Muhlenberg. Muhlenberg College is home to an overwhelming number of clubs and organizations ranging from intermural sports, political awareness groups, community service organizations, religious groups, and virtually any other club that one can think of. Clubs and organizations are just as important in the college experiences of students as any other aspect of campus life. Students dedicate time to meetings, practices, events, and fundraising for the clubs and organizations in which they are involved. Students may have the opportunity to gain leadership experience in their clubs, taking on executive positions or the role of club officers. Not only do students gain immeasurable value from being part of a Muhlenberg club, but these organizations also give back to Muhlenberg and the surrounding community as well. Clubs dedicate their time, monetary donations, and community service to enriching the world around them. Whether it is an athletic, religious, academic, or community service based club, getting involved in organizations on campus gives students a sense of purpose, belonging, and achievement. Also, clubs can be a great way to spend free time, make new friends, and just have fun. With the great number of clubs and organizations on Muhlenberg campus, it is clear to see that Muhlenberg students know how to make the most of their college experience by pursuing passionate interests, giving back to the community, having fun, and getting involved.

The Muhlenberg Perkulators strike a finishing pose as they dazzle the audience with one of their football game performances.

Relay For Life 2006 co-chairs Alex Corgan and Allie Schnall take a break from orchestrating an amazing college-wide cancer fundraiser to smile for the camera. Muhlenberg's Relay For Life raised \$33,000 for cancer research.

The Muhlenberg Women's Rugby team works together to dominate their opponent during one of their games this season.

The creators of Best Buddies take a break from running one of their busy events to pose for a picture together. Best Buddies sponsors many fun activities at Muhlenberg campus and in the Allentown community.

Comunidad Latina is a new organization welcoming students to support and celebrate the Latino community while here at Muhlenberg.

Best Buddies is a caring club that brings together Muhlenberg College students and members of the local community with mental disabilities by hosting fun events and creating lasting friendships.

Relay for Life organizers Allie Schnall, Lauren Gurwicz, Lynn Boyle, and Christina Harkness are all smiles after completing the relay.

Local children take their turn at the Relay for Life dunk tank to raise money for the cause.

The Relay for Life planning committee gathers on stage for a group shot as they open the Relay for Life event.

# Colleges Against Cancer & Relay For Life

A team of students participating in the relay get into the spirit by wearing team tie-dye shirts for the big day.

Enthusiastic participants show their support as they hold the Relay for Life sign high as they begin the relay.

Cancer survivors and family members take to the track during the first lap of Relay for Life.

Colleges Against Cancer is a group that is dedicated to raising campus awareness of cancer issues. The group organizes monthly activities in three components: Cancer Education, Advocacy, and Survivorship. Besides

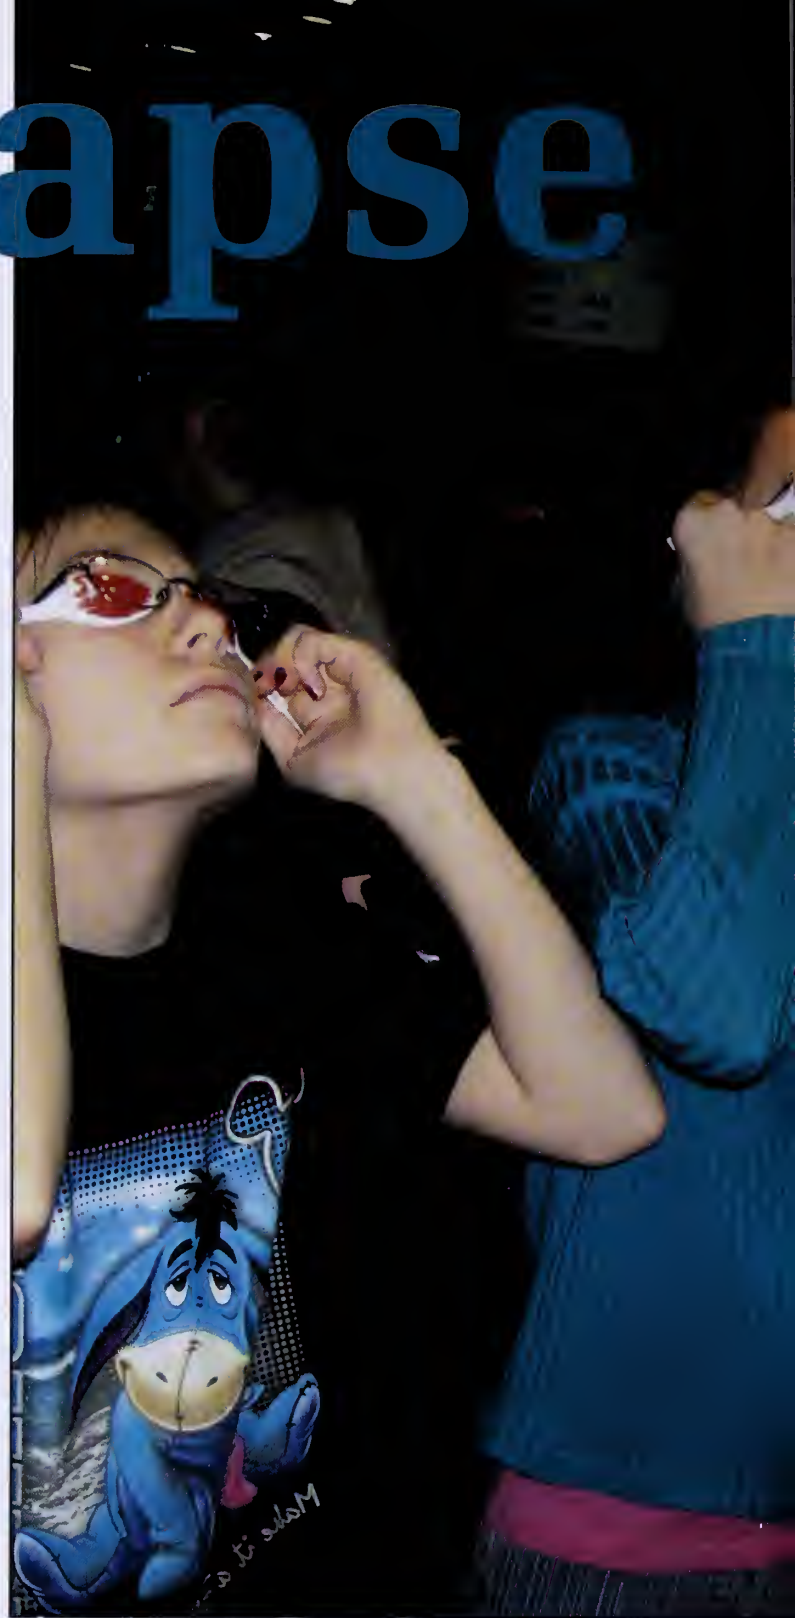

the monthly awareness activities and fund-raisers for the American Cancer Society, CAC is also the sponsor of Relay For Life, an event that takes place every April. RFL is in its third year this year, and in the past has raised over \$40,000 for the ACS. The event includes over 20% of the student body and is comprised of teams of students, sports teams, clubs and organizations, and faculty/staff members. CAC President Allie Schnall commented, "I am honored to be the president of a club that has made such progress and impact over the

past three years. When CAC first started, there were very few members, and now we have over 50 regular members. The first year of Relay For Life, we had about 200 participants and raised \$10,000, and then by the next year, that number had dramatically increased to over 400 participants and a fund-raising total of nearly \$33,000! Our school has really come together to get involved in fighting against a disease that affects everybody in some way. CAC works to spread cancer awareness and also fund raise for the American Cancer Society. Muhlenberg was a trendsetter in starting and succeeding at Relay For Life, and that is something that we should all be proud of!"

# Synapse

Synapse is Muhlenberg's very own neuroscience club that was formed only a year ago. Started by enthusiastic students in the Neuroscience program, Synapse focuses on learning and service, while having fun at the same time. The goal of Synapse is to provide students who are interested in neuroscience a place to assemble and collaborate with other students, form networking for internship and research connections with those involved with neuroscience in the surrounding community, and work with the community for educational purposes and community outreach. Students work to expand their knowledge of how the brain functions while extending their love to the surrounding community.

One of Synapse's most successful endeavours was participating in Brain Awareness Day, an annual collaborative effort between the neuroscience students at Muhlenberg, Moravian, and Cedar Crest. Brain Awareness Day is a community service day that brings neuroscience to middle-school aged children in the Lehigh Valley. This community service event was held last March 16th at The DaVinci Center. Synapse helped to set up many interesting and educational activities for the students such as sheep brain and eye dissections, artificial intelligence bots, lie detector tests, and various forms of optical illusions for the kids. This event helped local children share in the passion of the Synapse students as they extended their knowledge of neuroscience to these eager and enthusiastic youngsters. Who knew the brain was so interesting!

Students who participated in the Brain Awareness Day at the nearby DaVinci Center take on a different perspective as they look through special eye goggles. With the help of the Muhlenberg neuroscience group Synapse, these children learn facts about the fascinating functions of their own brains.

Synapse advisor Jeremy Teissere works with some students at the sheep eye dissection table. This was only one of the many fun activities Synapse conducted with the local students.

Jordan Strott shows this interested student how to use a lie detector machine. She explains how signals in the brain are set off when a person lies and can be picked up by this special machine.

Eliana Verghese shares a smile as she shows Dr. Rudski's son how to use the mirror boxes. Here students try to complete a maze only by looking at the image reflected in the mirror instead of at the maze itself. Since all of the directions are reversed, students must try repeatedly to adapt their brains to the new orientation. A hard but fun challenge!

# CCF

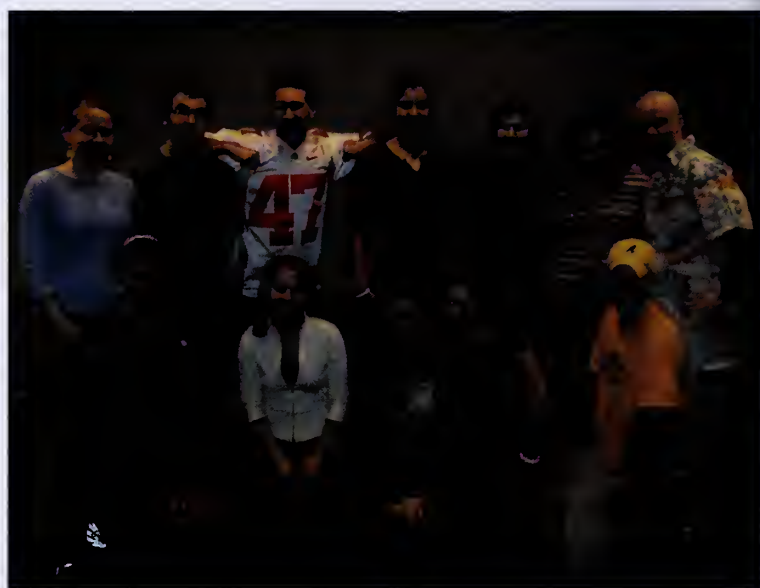

## Campus Christian Fellowship

The Campus Christian Fellowship is a group in which students who desire to learn more about Christ and how His work can impact their lives can come together for support, encouragement, and learning so that they can learn to be witnesses for Christ in all aspects of their lives. Through Bible studies, retreats, and other activities, they grow closer to each other and grow in their faith. The Campus Christian Fellowship is also affiliated with DiscipleMakers, a campus ministry organization, who provides leadership and wisdom from older Christians.

The members of CCF have meetings every Friday where they develop and share their beliefs through music and discussion. They also plan many events together that include community service in Allentown and retreats to meet with students from other colleges. There are also several small Bible Studies led by members of the Campus Christian Fellowship around campus.

Amanda Thompkins, Sarah Monticue, Gina Schuman, and Crystal Bear hang out in Seegers Union after a meeting.

Zack Gugenheim, Jordan Thebner, and Jeremy Hagan smile for the camera at a CCF conference.

Danielle Scala, Jeremy Hagan, Zack Gugenheim, Amanda Thompkins, Michelle Colandrea, Jackie Gober, Jason Knox Jordan Thebner, Heather Brown, Sarah Monticue, Crystal Bear, Scott Cella

The ladies of the Campus Christian Fellowship enjoy a fall retreat.

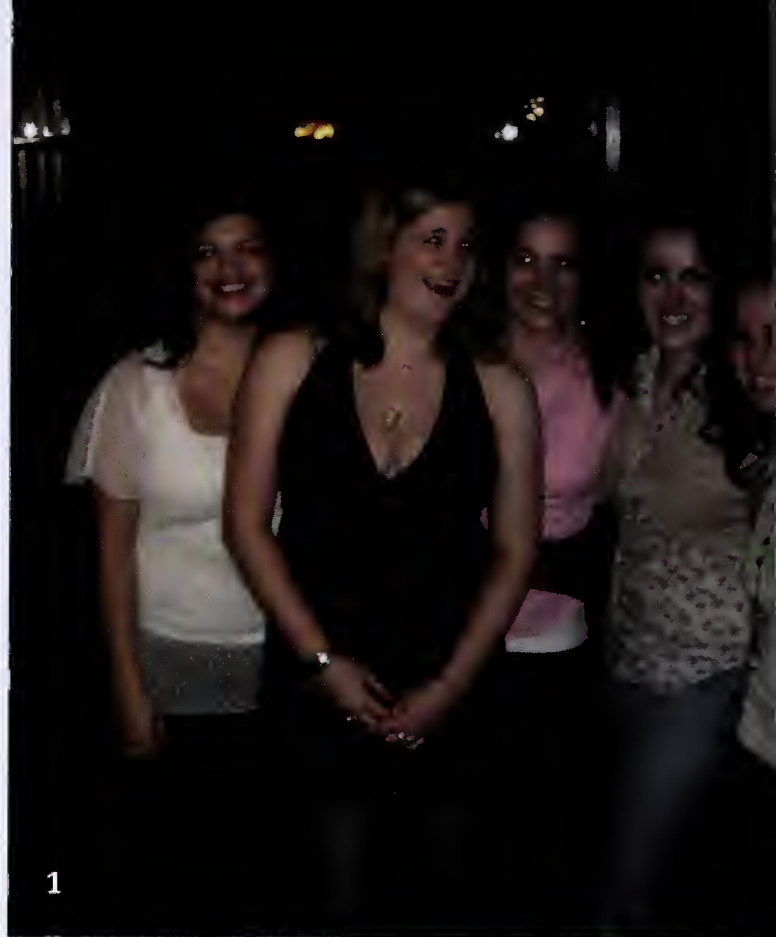

# Girls

## Next Door

You can Knock on  
their door

1. The Girls Next Door was Muhlenberg's first all-female aca-pella group when it was started in 1999. We are dedicated to working together in a fun setting to learn all kinds of music to perform all around campus. We also enjoy travelling off campus to work in the community or sing with other groups at other schools, who we then invite to come perform here at Muhlenberg. In the spring, Girls Next Door helps to organize Muhlenberg's AcapellaFest, which is a day full of acapella music from Muhlenberg groups and various groups from other schools. We currently have 2 CDs, When the Music's Ended (2003) and Wanted: Second Offense (2006).

# College Republicans

2. The College Republicans are a group that are active on campus in various ways. Club members participate in the political process by registering voters, writing conservative articles, volunteering in the community for Republican candidates, and engaging in debates. The President of the College Republicans Michael Tenenhaus (Class of 2007) had an internship last fall in the White House working for the Office of the Public Liaison and also the Vice President's Office of Domestic Policy. Kyle Miller (Class of 2008), another College Republican officer, is interning in the White House for the Speech writing Department this fall.

# AcaFellas

3. "HISTORY OF THE ACAFELLAS Once upon a time, in the hamlet of Allentown, PA, there was a small liberal arts college called Muhlenberg. On this campus, lived a group of men and women singers called the Dynamics. For a long while, the Dynamics were a sought after group, always performing and always recruiting attendees of this college to join them on their merry path of notes and harmony. However, the desire to sing was too great for only one group to accommodate. Along came the Girls Next Door, a group of women who wanted their voices to be heard as a separate entity. Two groups seemed an ideal situation for a few years, and then the men, feeling under-represented in the field of a cappella music, sought off on a path to make their presence known. Thus, the AcaFellas were born. In September of 2002, men were auditioned to become members of the revolutionary group. With foundation by (a.k.a "the Godfathers") Dave Bish and TJ O'Connell, they began their rehearsal process 18 members strong, uncertain of their potential. Shortly after, the group was formed and began work on its first song, "The Longest Time" by Billy Joel. Being brand new and a little shaky, they started small, performing two songs at the Dance-a-thon, and opening for the Girls Next Door in their winter concert with five songs. They lost a few members (David Torsiello, Jason Conrad, and Alex Garlen), and gained one along the way, finishing off their first year at 16 (TJ, Dave, Rafael Bish, Brodie Aberson, Frank Grande-Marchione, JR Lopatin, Mat Wolfson, Alex Joujan, Jordan Ahnquist, Craig Porter, Ray Pierre, Kieran Maroney, Tim Gross, Jeff Williams, KC Cvitanov, and Brian Richardson). Once they attained a small repertoire they began performing "favor" concerts for practically all who asked to get the word out. For having only been around a full year, the AcaFellas did not do badly for themselves, with eight performances under their belt and a couple unmanageable requests for "gigs". Four years and an indeterminate amount of years to go, the AcaFellas and the remaining members are going to ensure that the Muhlenberg and Allentown communities have a male voice to add to the music of the college. In the bleak midwinter of January 2006, the 'Fellas, while bravely defending their pride against the local moose population, trekked up to Waterville, Maine to record their first CD, "Hello, My Name is AcaFellas" that is now available on their website [www.acafellas.com](http://www.acafellas.com). The current group consists of 14 members and going strong. The Muhlenberg AcaFellas plan to record a new CD to be released in the Fall of 2007." Photo Caption: "The Muhlenberg AcaFellas: ( from left to right) Adam Cotugno, Zack Guggenheim, Mark Albom, Ryan Acquattro, T.J. Lynch, Ryan Kurtis, Alex Lotorto, Mike Biren, Daniel Kuhn, J. Eric Stephenson, Andrew Brown, Hugh Trimble and Tynan Hooker-Haring (not pictured: Tom Kelleher)"

Members of the Asian Students Association and International Students Association enjoy an outing at Teppan Hibachi restaurant in Allentown.

Friends in ASA/ISA pose for a picture after dinner. The group helps students meet new people and form lasting friendships.

ASA/ISA members enjoy a hibachi dinner at a local restaurant in Allentown on one of their group outings.

# ASA/ISA

## Cultural Awareness on Campus

**ASA/ISA members gather in Seegers Union for one of their meetings to discuss upcoming events.**

ASA/ISA, Asian Students Association/International Students Association, is a relatively new organization on campus directed towards international students and cultural awareness. The organization holds fund raisers for dances and restaurant trips to raise money for different charities. They also work together to organize a Non Violence Day Rally in the fall semester, which promotes peace and unity through text, dance, song and art. In the spring semester, ASA/ISA organizes the Night of Cultural Diversity on campus. In the past, this exciting event has included an ethnically diverse fashion show, a magic act, and cultural dances. ASA/ISA welcomes the international students and all multicultural students at Muhlenberg and ensures that

they feel comfortable at their home away from home.

they feel comfortable at their home away from home.

ASA/ISA brings cultural awareness to campus as students experience the importance of diversity. This group allows individuals to meet new people and get to know a variety of students on their college campus. Members meet to discuss issues of cultural diversity and plan trips and events that promote multicultural awareness. This group is new to Muhlenberg but adding to the college's great sense of community.

**Dorie Casper and Brittany Rothstein smile for the camera as they finish their meals during an ASA/ISA event.**

# Perk The Perkulators

The Perkulators are an energetic, dedicated, and talented group of dancers who perform at halftime of football and basketball games, pep rallies, talent shows, and other events around the campus community. The Perkulators' performances are fresh, fun, clean, and upbeat in order to keep the campus motivated and entertained. Under the advisement of Jane Schubert, the Perkulators are a student run organization with a membership of sixteen highly trained dancers. We hold auditions in early September, practice three times a week, and perform throughout the year. Continuing to grow in number, recognition, and involvement around campus, the Perkulators take pride in representing Muhlenberg. Remember: DON'T HATE...PERKULATE!!!

## The Muhlenberg Dynamics

We are the oldest a cappella group on campus. It is our mission to spread the message of love and happiness to all people of the world through vocal co-ed a cappella music. You can find us singing around campus at barbecues, candle-lighting vigils, talent shows, half-time shows, barmitzvas, formal concerts, impromptu concerts, fundraisers, volunteer organizations, A-town, other colleges, Philadelphia, in dorms and almost anywhere else you can think of. Yea. We love Muhlenberg and we love each other.

## In Accord

InAcchord is an a cappella group that doesn't stop at defining itself with co-ed, but brings together an academically, socially, and culturally diverse group of experienced and talented students that, together, thrive on sharing the joy they find in music making.

# The Advocate

## Muhlenberg's Online News-

06-07 was a historic year for Muhlenberg's independent online newspaper, the Advocate. As always it represented the brain and soul of Muhlenberg College with informative, opinionated, witty writing. Berg students shared their opinions in Op/Ed, how they entertain themselves in Culture, original creative art and writing in Mosaic Crossroads, and some of the most memorable, unbelievably embarrassing quotes in Verbatim. Our sex columnist Bianca Foxwell left everyone lusting for more.

Writers and editors worked hard to turn out

a new issue every two weeks during the semester. Behind the scenes, the Advo was run by the top-notch executive board widely known as The Matriarchy. They will never tell who writes the Unsigned Editorials

The Advo's first ever campus-wide sex survey was an enormous success. Several hundred students responded to Bianca's questionnaire with the most raw, uninhibited answers ever recorded in Muhlenberg history. Of course, we tend to have that effect on people.

The Advocate executive board works hard to produce Muhlenberg's own online newspaper, but always manages to have a good time too.

The Muhlenberg Advocate's executive board poses for a shot outside of their office in the Life Sports Center.

The entire MINT team poses for a picture after one of their stunning performances. This relatively new but extremely talented group has been awing audiences with their hip moves since they were formed two years ago.

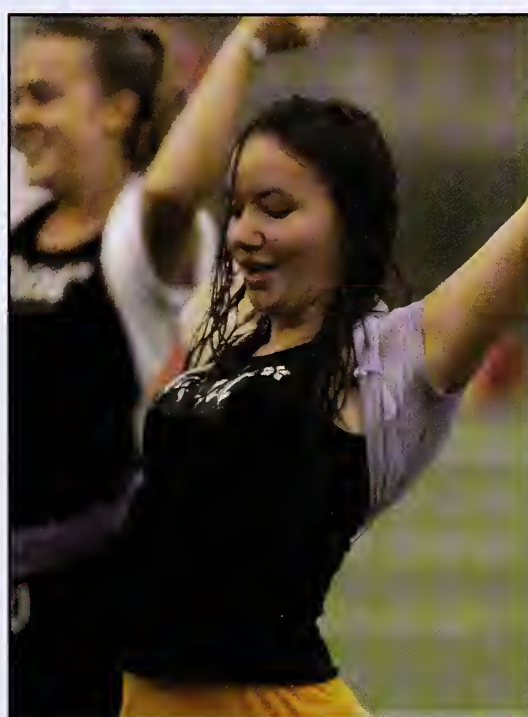

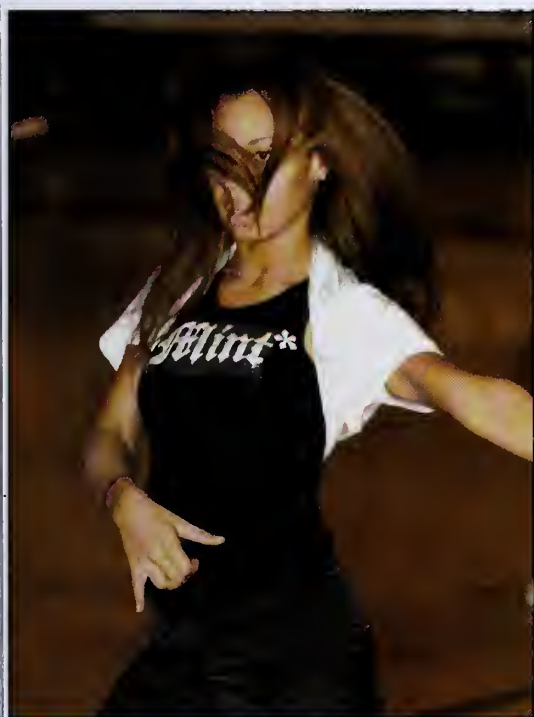

Not only does MINT have great dance moves but they also have an enthusiastic team spirit.

Muhlenberg's hip-hop team MINT\* ends an exciting routine while performing at a basketball game. As many people come to watch these girls perform as they do to see the actual sports event.

Xiomara Fernandez shows off her fresh choreography during a MINT\* performance. The girls practice for hours every week to perfect their routines.

Pamela Lehrman dances in the rain during a halftime routine at Muhlenberg's Homecoming football game.

# MINT\*

Mint\* is a hip-hop dance team here at Muhlenberg, which was recently established. The hip-hop dance team is made up of an enthusiastic group of dancers who love to perform at Muhlenberg half-time shows, The Henry Awards, Multi-Cultural events, the Relay for Life, and much more. Their goal is to get people up and dancing along with them in the stands, which is something Mint\* has been known to do. For such a new dance team, Mint\* has surely shown off what it's all about during all of the important Muhlenberg activities!

# Greek Life at the 'Berg

# Alpha Chi Omega

**Mission Statement:** Alpha Chi Omega is a national women's organization that enriches the lives of members through lifetime opportunities for friendship, leadership, learning and service.

Alpha Chi Omega's national philanthropy includes cultivating a spirit of service with particular support for the victims of domestic violence as well as support for The MacDowell Colony. We participate in many events throughout the year, including, but not limited to: Relay for Life, many Turning Point fundraisers and events, Step Out

annual 5k run, Dance for a Cure, Community Clean Up, and Pinebrook.

Alpha Chi Omega was founded on October 15, 1885, at DePauw University in Greencastle, Indiana by seven young women: Anna Allen, Olive Burnett, Bertha Deniston, Amy DuBois, Nellie Gamble, Bessie Grooms and Estelle Leonard. Alpha Chi Omega's Zeta Chi chapter at Muhlenberg College was installed in 1984. Our national colors are scarlet red and olive green and our symbol is the Grecian lyre. Our flower is the red carnation.

Alpha Beta Pledge Class!!

# Phi Sigma Sigma

Mission: To inspire the personal development of each sister and perpetuate the advancement of womanhood.

The sisters of Phi Sigma Sigma are involved in many activities on campus and as an organization, participate in multiple campus events every year. We participate in at least one philanthropic activity per month, which have included Friendly's fundraisers for the Sixth Street Shelter, packages for soldiers and our close volunteer relationship with the after school program, Community Bike Works. This year, we also sponsored a Twister competition, our annual Rock-a-Thon for our national philanthropy, The National Kidney Foundation, as well as many social and sisterhood activities.

Phi Sigma Sigma was founded on November 26, 1913 as the first non-sectarian sorority in the nation, open to diverse membership from the very beginning. We were founded at Muhlenberg in 1984 and continue to thrive as a strong chapter of 70 diverse, intelligent and upbeat women.

Top Right: Phi Sigs during the Greek Community Clean-Up.

Center: Phi Sig seniors getting ready for our Rose Formal.

# Delta Zeta

The Delta Zeta chapter was established on Muhlenberg's campus October 24, 1984 and has been a national chapter since 1902. The purpose of our sorority is to unite members in sincere friendship, to stimulate and

support one another academically, and to promote all aspects of individual and group development with guidance and unity. As a chapter, we are actively involved both on and off campus through various organizations and philanthropies.

Keeping close relationships with our faculty, staff and students is important to Delta Zeta. Casa Guadalupe and the Starsky Hearing Foundation. This spring we will have twenty-seven of our members graduating and we would like to congratulate them and wish everyone the best of luck.

# Phi Mu

Phi Mu was founded in 1852 at Wesleyan College in Macon, Georgia. It's a women's organization which provides personal academic development, service to others, commitment to excellence, and lifelong friendships through a shared tradition. Phi Mu has chapters across the United States and nearly 150,000 collegiate and alumnae members. All Phi Mus have different college experiences, but they all share a bond of sisterhood. Phi Mu believes in the ideals of their Creed: Love, Honor, and Truth. The ladies of the Phi Kappa chapter have been

raising money for Children's Miracle Network, their national philanthropy, here at Muhlenberg since 1992.

With their award-winning Phi program, the women of Phi Kappa encourage their members to imagine, believe and achieve their aspirations. Whether it be collecting DVDs/video games for the Children's Hospital of Philadelphia, trick-or-treating for CMN, or walking for a cure in both Race for a Cure and Relay for Life, Phi Kappa has raised hundreds of dollars for the community.

Sometimes girls just wanna have fun at the Carnation Ball!

# Phi Kappa Tau

## Eta Chapter

**Mission Statement:** To champion a lifelong commitment to brotherhood, learning, ethical leadership and exemplary character.

**History:** Originally founded as the Alpha Sigma club in 1914 by Henry Moehling, Jr. and Herman W. Nenow, it was chartered the Eta chapter of Phi Kappa Tau on March 23, 1918. Muhlenberg's Shankweiler science building is named for an Eta chapter alumnus and longtime Muhlenberg

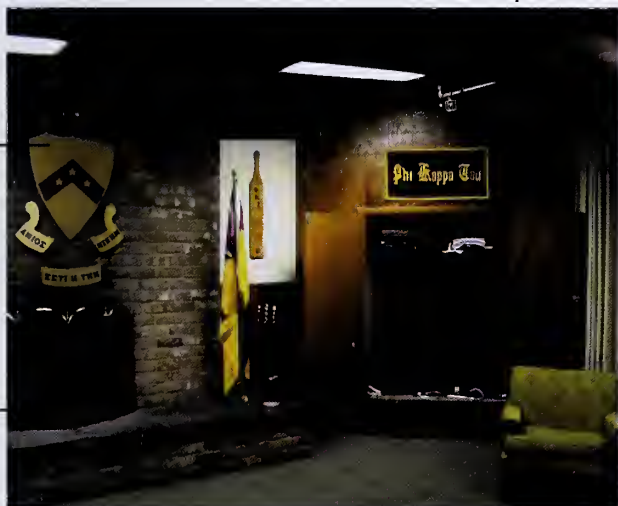

professor, Dr. John V. Shankweiler. Phi Kappa Tau as a national fraternity has recently celebrated its centennial on March 17, 2006.

We hold a semiannual raffle to raise money for our national philanthropy, the Hole in the Wall Gang Camps, to which we have donated over \$4,200 in the past year. Our community service has exceeded 800 hours total for 2006. Starting in the fall of 2006, we have adopted The Caring Place in Allentown as our official local community service

project. In conjunction with the Inter-Fraternity and PanHellenic Councils, we take part in the Community Clean-up Project once each year.

We currently have the 2nd highest cumulative GPA among fraternities.

Several brothers are Resident Advisors, one of which is a Head Resident. We are the largest fraternity on campus. We also hold semi-annual campus-wide dances at our substance-free chapter house.

3. Here is a picture of us with Severin Fayerman, the Holocaust survivor who we sponsored to speak for the campus

# Sigma Phi Epsilon

The Pennsylvania Iota chapter of Sigma Phi Epsilon was founded on Muhlenberg's campus in 1938 and its activity has been uninterrupted ever since. SigEp has constantly continued its involvement in the local community. Members are active and become leaders in a diverse variety of groups on campus including Student Council, Cardinal Key Society, IFC, MTA, and Student Advising. Past community service events include Science Day, Jefferson Field Day, America Reads, Sixth Street Shelter, and many more activities.

# Alpha Epsilon Pi

Delta Tau Delta was established nationally in 1858 under the mission statement "Committed to Lives of Excellence." In 1996, chapter Theta Chi of Delta tau Delta was established at Muhlenberg College as a colony and in 1998 as a full-standing chapter. Today we have 30 brothers

committed to the same "life of excellence." Our fraternity works hard to give back through community service, fund-raising and involvement with the college. Most importantly we value our strong ties as life-long brothers.

We are Alpha Epsilon Pi fraternity. We were founded in 1913 at New York University. We are a nationally Jewish fraternity but we do not limit our brotherhood to only those who follow the Jewish faith. The Mission of the Alpha Epsilon Pi Foundation, Inc. is to promote the ideals and values of the Alpha Epsilon Pi Fraternity through leadership development; to partner with educational and Jewish communal organizations; and to provide scholarships, financial support and programming for the betterment of our brothers and our community. Earlier this year we had a golf outing to raise money for the Camelot House, which supports children with special needs. The event was a great success and we raised over \$1,000.

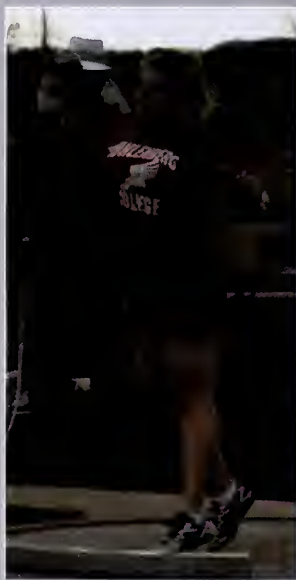

Bottom row: Justin Rudolph, Ryan Campbell, Keith Mann, Kris Pisarcik,  
Ryan Smith, Brian Bigelow, Zach Drake, Amit Sid  
Second Row: Brian Wernick, Adam Sosnick, Matt Katz, Aaron Weintraub,  
Colin Stevenson, Aaron Smith, Soham Desai, Mike Usher  
Third Row: Ross Belfer, Adam Krulewitz, Justin Matulay  
Top Row: Alex Greenspon, Billy Wainwright, Lou Marquet, Brandon Martin, Steve Sullivan, Chris Jordan  
Missing: Alex Kennedy, Scott Ellis, Sean Pattwell, Mat Levin, Ben Kanigel

We take pride in ourselves and the bond that we have developed with one another, as it shows in our success in intramural sporting events. We are also pleased to announce that we will be getting our house back so we can finally be united under one roof, as every fraternity should be.

# Athletics

## Muhlenberg

"Muhlenberg Track & Field has had such an impact on my college career that it will be hard to leave behind after graduation. Track has taught me a sense of unity and purpose for a common goal. People say that track is an individual sport, but I can't say I'd be the same person today without my team."

- Hilary Blum  
Class of 2007

"The tradition of athletics at Muhlenberg provides a sense of spirit and unity on the campus. Being a part of the basketball team and devoting endless hours with my teammates to strive for a common goal is something that I will always cherish."

- Emily Wright  
Class of 2007

Muhlenberg's proud tradition of guiding dedicated young individuals to make the most of their physical abilities while preparing them to succeed in life, has successfully influenced thousands of athletes. Senior wrestling captain, Matt Loesch (pictured to the right) explains how his athletic experience has had an impact on his collegiate experience. "Muhlenberg athletics is all about chasing your personal dreams and goals in athletics while still keeping in mind the reality of playing Division III not leading into a career in the sport. It is all about doing what you do for the love of the sport and not for money, scholarship, or prime time TV spots. And unlike athletics in some of those Division I schools, Muhlenberg Athletics is not about the sport determining who you are... it is about you determining how you will use what you learn from the sport to help make you great in what you do later in life."

# Cross Country

The NCAA Mideast Regional was held at an airport in western Pennsylvania – an appropriate location for the Muhlenberg men's cross country team, which took off in 2006 and landed in the top 30 in Division III.

The Mules tied program bests by finishing second at the Centennial Conference Championships and fourth at the Mideast Regional. They earned their first bid to the NCAA Division III Championships, placing 29th in a field of 32.

The Muhlenberg women finished 10th out of 41 teams at the NCAA Mideast Regional, two places away from their best showing ever.

With their top eight consisting of five seniors and three sophomores, the men had the perfect blend of experience and youth to snap their streak of three straight fourth-place finishes at the CC Championships. The Mules gave an indication that things might be different when they finished only two points behind 2005 CC runner-up Dickinson in their second meet of the season, the Waynesburg Invitational.

More impressive performances followed: second out of 25 teams at the Paul Short Invitational and first out of 20 teams at the DeSales Invitational – the first win in program history in a large (20 or more teams) invitational. Senior

Lex Mercado led a contingent of three Muhlenberg runners in the top 10 at Paul Short, then won the DeSales Invitational by more than 14 seconds.

Mercado alternated with two other seniors, Tim Seeley and Stephen Rothwell, for the team lead. Seeley had the best race of his career at the CC Championships, finishing fourth to tie for the second-best showing by a Mule runner at the meet. Mercado (seventh) and Rothwell (eighth) also finished in the top 10 as Muhlenberg scored 56 points, by third-fewest by a team other than Haverford in the 14-year history of the meet.

Rothwell took top honors at the regional, coming in 23rd to join Seeley (30th) and sophomores David Chorney (27th) and Timothy Van Syckle (35th) in the top 35. The Mules' gap of 41 seconds between their first and fifth runners was the best in the meet.

Muhlenberg was rewarded with one of 16 at-large berths to the NCAA Championships. Entering the national meet ranked 33rd in the Division III coaches poll, the Mules finished ahead of three other invited teams.

The women lined up a young team that featured three juniors, three sophomores and a freshman in the top seven. Junior Sara Gearin, returning to the squad after playing soccer in 2005, was the

Mules' top finisher in all but one of her races, followed by much-improved sophomore Laura Lipari.

The women landed in the top 10 at the regional by one point over a Gettysburg team that had beaten them by 10 points at the CC Championships two weeks earlier.

A talented group of seniors; William Trevethick, Tim Seeley, Stephen Rothwell, Dave Chesny, John Dyer, (pictured to the left) and Lex Mercado, lead this year's male cross country team to the NCAA Championship.

Freshman Lauren Conicella (above) and senior David Chesny (left) were two vital members of the Cross Country team.

The girls Cross Country team was lead by Sara Gearin; whose best finish was 11th at the DeSales Invitational.

# Field Hockey

Picked eighth in the Centennial Conference preseason poll despite returning a talented group of veterans, the Muhlenberg field hockey team showed its stuff by finishing fourth. In fact, it took the national champions to bring the Mules' season to a close.

Muhlenberg ended its season with a 12-7 record and earned its first CC playoff berth since 2000. As the fourth seed in the playoffs, the Mules hosted fifth-seeded Gettysburg and knocked off the Bullets, 1-0, for their first postseason win since 1992.

In the conference semifinals, Muhlenberg had its season ended by Ursinus, which would go on to capture not only the CC playoffs, but also the Division III national championship. The Mules started and finished strong, winning four of their first five and four of their last five. The middle was a seesaw ride, as the team alternated wins and losses for 11 straight games.

Location had much to do with that: Muhlenberg averaged 4.2 goals in going 4-1 at home in the CC, but scored just one goal in its first three CC road games. Needing road victories in the final week of the season to get in the playoffs, the Mules came through, winning at Franklin & Marshall for the first time ever and coming home from

Washington with a 3-1 triumph in the last regular-season game.

Muhlenberg's offense, which scored 44 goals featured a multi-pronged attack. Junior Jillian Duffy (12 goals, four assists) and senior LisaAnn Polt (11 goals, four assists) became the first Mule teammates to each score 20 points in 17 years. Nicole Notarianni scored eight goals, the most by a Muhlenberg freshman since 1991, and senior Jessica Hand added seven goals, including the lone tally in the playoff win against Gettysburg.

The defense ranked second in the CC, allowing only 1.52 goals per game. Senior Kate Moyer ended the season with 10 defensive saves, including four in the win at Washington. Junior Nikki Rhoads and the tandem of senior Allie Covell and sophomore Julie deLaurentis rounded out the defensive unit in front of four-year starter Lauren Schram, who ended her career with 19 shutouts.

Junior All-CC selection Lauren Rutt was a big factor on both offense and defense, winning balls in the midfield and disrupting many penalty corners.

- Mike Falk  
Sports Information Director

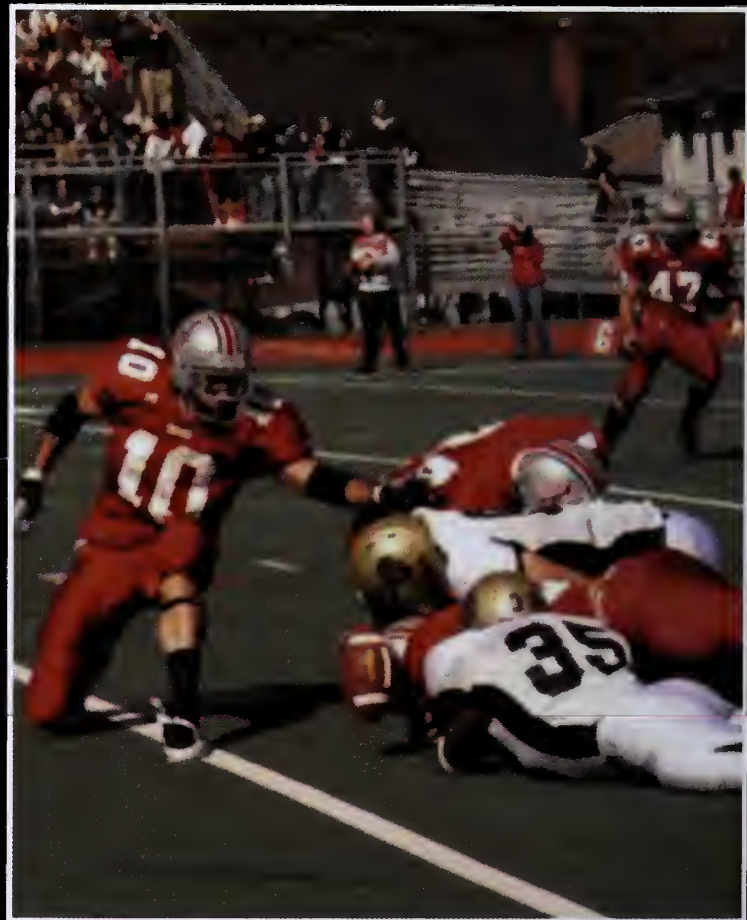

The Mules showed heart and strong character fighting through a tough season and ending the season with a win.

# Mules Football

There are a few ways to arrive at a 5-5 record. One is to start strong and fizzle out, another is to catch fire at the end of the season, and a third is to be up and down all year. The latter described the Muhlenberg football team of 2006 perfectly. The Mules alternated wins and losses for the last six weeks of the season. They put up 54 points against Gettysburg a week after generating only 40 yards of offense at Johns Hopkins. They beat 8-3 Ursinus but lost to 3-7 McDaniel.

Although the Mules never found consistency, they improved their 2005 record by two games and discovered that they had a talented group of young players who could carry the program to further improvement in the future.

Santagato passed for 1,538 yards (the third-most by a Muhlenberg sophomore) and set a school record for quarterbacks with nine rushing touchdowns.

Muhlenberg began the season with a bang, as sophomore Brandon Doyle returned the opening kickoff 94 yards for a touchdown. The Mules went on to defeat New Jersey in that game and knocked off another Garden State team, William Paterson, the following week on a fourth-quarter fake punt that went 51 yards for the game-winning touchdown.

Three straight losses followed, including two on the road to schools (Union and Dickinson) that would qualify for the NCAA Tournament. Returning to Scotty Wood Stadium for a Homecoming contest against undefeated Ursinus, Muhlenberg looked impressive in a 22-6 victory. The following week at Johns Hopkins, the Mules had one of their worst offensive days, but they responded with one of their best, scoring 40 second-half points to pull away from Gettysburg, 54-14. It was their first time topping the half-century mark since 2002.

Muhlenberg could not carry the momentum into the McDaniel game, losing to the Green Terror for the 11th year in a row, but closed out the season with a satisfying 24-10 win at archrival Moravian.

Behind the leadership of sophomore quarterback Eric Santagato, the Mule offense showed considerable improvement, averaging 20.5 points and 284.4 yards per game, up considerably from 13.8 and 261.8 last year. Santagato's top three targets were seniors, including Stephen Montalto, who with a team-leading 38 catches became the top receiving

atight end in team history (83 receptions). Junior Matt Johnson and sophomore John DeLuca shared time at tailback, each recording a 100-yard game. Sophomore center Mike Nolan earned first-team All-Centennial Conference honors in his first year on the offensive line.

The defense was especially young, starting five sophomores and a freshman. A first-team All-CC selection, Musselman recorded a team-leading 12½ tackles for loss and broke up five passes. Still, the Mules allowed fewer than 20 points a game for the seventh straight year.

End Chris Musselman, the lone senior starter, led the team and ranked second in the CC with 8½ sacks, two short of the school record. Junior outside linebacker Tom Tarsitano emerged as the squad's top tackler, with 73 stops, and fellow junior outside linebacker Dustin Good finished with 49 tackles. Sophomore inside linebacker Matt Rathbun tied a school record with four fumble recoveries.

Doyle added an interception return for a touchdown to his season-opening kickoff return, and Muhlenberg's other cornerback, Cameron Ahouse, tied a 39-year-old school record for freshmen with five interceptions, one of which he brought back 95 yards for a score.

On special teams, the Mules blocked six kicks, with junior Joel Haddock's two blocked punts going for a touchdown and a safety.

“Muhlenberg  
seniors and  
freshman  
help the  
program to  
prominence”

Against McDainel, the Mules  
battled throughout the entire  
game and finally prevailed in a  
2-1 win during overtime.

# Women's Soccer

The Muhlenberg women's soccer team combined something old, something new and something borrowed to make sure its season was anything but blue. The Mules went on a surge late in the year to finish with a 13-6 record. A nine-win improvement from 2005 and return to the Centennial Conference playoffs.

The "old" came from a group of eight seniors who won the CC championship as freshmen in 2002 and helped return the program to prominence after a couple of down years in the middle.

Goalie Kayla Boisvert had her best season as a senior, leading the CC with a 0.69 goals-against average and .881 save percentage in league games. Elana Rabinowitz tied a career high with seven points, and co-captains Andrea Dello Russo and Kristen Cioeta were starters the whole season. Becky Giuditta, Shauna Henley, Emily

Nealis and Maria Tranguch rounded out the unusually large senior contingent.

The "new" came from an outstanding freshman class that accounted for half of Muhlenberg's 32 goals. The group included two sets of twins: Ashley and Christina O'Grady and Kasey and Kimberly Hacker. Both O'Grady sisters earned second-team All-CC honors, with Christina scoring 16 points and Ashley excelling as a back, while the Hackers combined for nine goals and three assists.

The "borrowed" element was Mallory DiMaio, who after time at Division I St. John's and Division II North Florida returned home to Allentown for her final year of college. In her lone season with the Mules, she scored a team-leading nine goals and earned second-team all-region honors.

Jayne Condon, Samantha Hoffman and Christine Schaefer also played key roles as rookies.

It took a while for the talents to click. Muhlenberg began its season with a dramatic 3-2 win against Gwynedd-Mercy, coming back from a 2-0 deficit.

The Mules turned the corner. They went 9-0 in October, outscoring their opponents 20-4 to clinch the fourth seed in the CC playoffs. Included in the winning streak were road wins against eventual ECAC champion Gettysburg and defending CC regular-season champion Dickinson.

In the first round of the CC playoffs, Muhlenberg knocked off Ursinus for the second time in three days, 1-0. It was a reversal of 2004, when the Bears defeated the Mules in both the regular-season finale and the first round of the playoffs. Muhlenberg lost in the CC semifinals, 3-1 to eighth-ranked Johns Hopkins.

- Mike Falk  
Sports Information Director

This season the team was composed of a strong defense. Key defensive players include Heather Scudellari (left) and Junior Maura Hendsey.

# Men's Soccer

All things considered, it wasn't a bad year for the Muhlenberg men's soccer team.

Although the Mules finished with a record of 8-4-4 and were eliminated One of only three seniors on the team, Peter Palomaki helped shore up the Mule defense, starting the last 12 games at center back. from the Centennial Conference playoffs in the first round, they had some things working against them: they graduated eight seniors from the CC championship team of 2005; they started their stretch drive with a back four that included one freshman, two sophomores who hardly played last year and a senior who hardly played his first three years; and their starting forwards combined for only three goals all year.

Muhlenberg scrapped its way to a successful season all the way to its last game, when it scored with 20 seconds left in regulation to tie Gettysburg, 1-1. It was the third time the Mules came back in the second half for a 1-1 draw, with the other two coming against NCAA Tournament participants DeSales and Franklin & Marshall. Unfortunately, Muhlenberg fell in the ninth round of penalty kicks to Gettysburg, ending its season in excruciating fashion.

The Mules opened up with three straight shutouts wins for the first time since 1999, earning a national ranking of No. 12 after defeating

a Wilkes team that in turn knocked off Johns Hopkins. Muhlenberg dropped its next game to Hopkins (which would not lose again until the national quarterfinals) and teetered through the rest of the year, clinching the CC's final playoff spot with a 1-1 tie at last-place Ursinus in the regular season finale.

Sophomore Billy Dalton started a center midfield the season on entire season and emerged as one against defending regular-season champion McDaniel. He earned third-team all-region honors. Junior Jonathan Kliewer split time between back and midfield and proved of the top rising players in the CC, leading the team with eight goals, including the game-winner with five seconds left in a 1-0 win to be a dangerous player at either spot.

A young team with only six upper-classmen had several other sophomores make their first varsity impact, including forwards Steve Tenzapf and Brendan Carroll, midfielder Greg Leischner and backs A.J. Barnold, Andrew Brick and Josh Glueck.

- Mike Falk  
Sports Information  
Director

Goalie Peter Bennet was a key player in this season's defense as shown above.

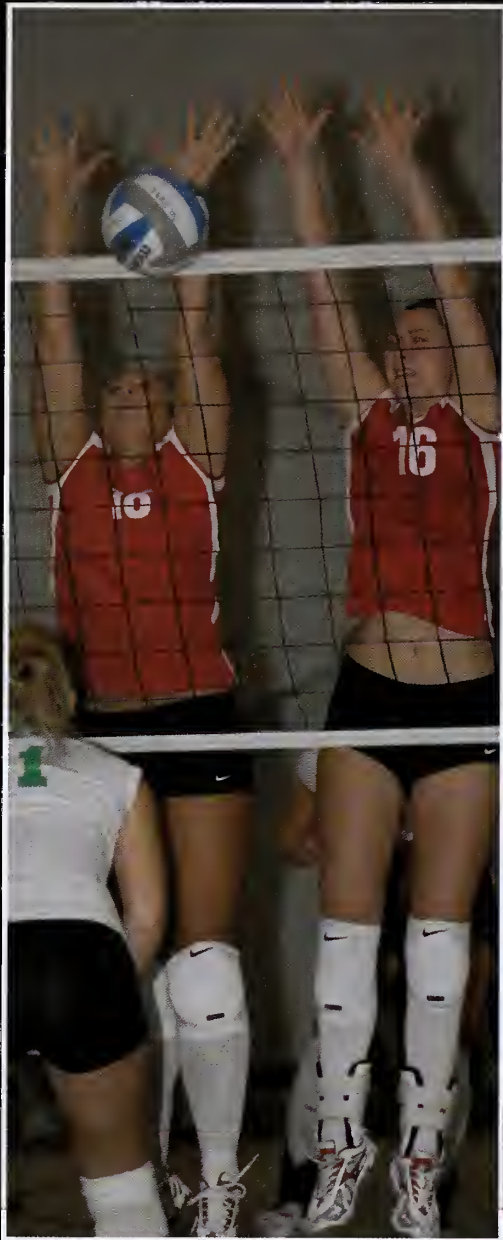

“Muhlenberg scrapped its way to a successful season all the way to its last game.”

During the Moravian game, the team played their heart out and prevailed in a 4-0 win against the Greyhounds.

Wearing jersey number 16, senior Monica Sella (pictured above) had 241 career blocks were good for fourth on the Mules' all-time list.

# Volleyball

The Muhlenberg volleyball team ordered new jerseys for 2006, but due to a mixup they did not arrive until late in the season. Unfortunately, the team's best play also took a while in arriving. The Mules won three of their last four matches to finish with a 10-15 record.

With five seniors and seven freshmen on the roster, Muhlenberg used various combinations of players throughout the season, meshing veteran experience with untested talent. The team won its pool with a pair of five-game victories at Moravian's season-opening Greyhound Premiere Invitational, but then dropped nine of its next 11.

The Mules won back-to-back matches against Bates and Emmanuel at the MIT Invitational, but then dropped five of six to fall out of Centennial Conference playoff contention.

The two wins against Moravian were among several marathon matches in which Muhlenberg played. At the Buttermaker Tournament, the Mules and Mary Washington hooked up in one of the longest games in Division III history, with the Eagles winning 44-42 en route to a five-game win. Muhlenberg also forced a fifth game on the road against CC co-leader McDaniel, taking the fourth game 33-31.

Co-captains Kate Haggerty and Monica Sella had solid seasons. Haggerty earned All-CC honors for the second time in her career after leading the team in kills per game (2.95) and hitting percentage (.254). Sella had a team-high 68 blocks. Haggerty (21) and Sella (14) both recorded career highs in kills in their final home match, while the other three seniors – Kristin Caparro, Julia Lamborn and Courtney Williams – contributed to the Mules setting a school record with 68 kills in the four-game win against Swarthmore.

Junior Megan Young (libero) and sophomore Megan Eiser (setter) nicely filled positions left open by graduated seniors. Young set schools records for digs per game (5.23) and digs in a match (45), and Eiser led the team in assists and was second in digs and third in blocks and aces.

Sophomore Danielle Losonci and freshmen Christina Cangelosi, Phylicia Lee and Liz Leslie all made their first varsity impact.

- Mike Falk  
Sports Information Director

# Women's Basketball

Below, Alexis Bates reaches for the layup. Far below, co-captain Emily Wright drives to the hoop.

After the Muhlenberg women's basketball team graduated seven seniors from a conference championship squad, nobody quite knew what to expect coming into the 2006-07 season. But with an 11-0 start and a national ranking as high as No. 19, the Mules showed without a doubt that they could still play.

With a young squad that had only two seniors and two juniors, Muhlenberg ended up with a 19-7 record to tie for the third-most wins in school history.

Muhlenberg tipped off the season with its fourth straight Scotty Wood Championship, as seniors Meghan Courtney and Emily Wright went undefeated over four years in the tournament. Wright's 41 points on 14-for-19 shooting in the two games earned her tournament MVP honors, and Courtney and sophomore Lauren Boyle made the all-tournament team.

The two tournament wins kicked off an 11-game run that extended the Mules' winning streak in regular-season games to 19. And the Mules didn't just win during that period; they dominated. They won their first 11 games of 2006-07 by an average of 17.1 points.

Also during that streak, head coach Ron Rohn won the 100th game of his career with a 74-47 victory over Swarthmore, and he became one of only three coaches to reach the milestone in fewer than 150 games.

Muhlenberg's winning streak finally ended when the team hit a five-game period in which it was only able to pull out two victories. The Mules snapped out of that dry spell, however, and won their next six games to qualify for the Centennial Conference playoffs.

Despite dropping its final three contests of the regular season, Muhlenberg earned the No. 3 seed for the CC tournament, where they lost to Dickinson for the third time.

The Mules were led by Courtney, Wright, Boyle, junior Abra Like and sophomore Erin McSherry, who made up the usual starting five. Together the quintet averaged 49.3 of the team's 64.3 points per game, and individually, four of them led the team in at least one statistical category.

Courtney finished the season tops in scoring (15.3 ppg), rebounding (9.4 rpg) and blocks (51), and Wright peaked from behind the arc, going 57-for-144 (.396). Boyle averaged 14.1 points and proved to be the most consistent foul shooter, nailing 76.4 percent of her freebie attempts, while Like lent a hand at both ends of the floor, leading the team in assists (102) and steals (29).

McSherry, although not a team leader in any categories, was not far behind Courtney in rebounding (7.2 rpg) and blocks (47).

Courtney and Wright ended their careers as the winningest class in school history, with a four-year record of 74-31. They broke the previous mark of 72 wins with a 90-81 come-from-behind victory over Alvernia, a game in which Courtney went over 1,000 points for her career. She graduated from Muhlenberg third all-time in points (1,076), fifth in rebounds (665) and second in blocks (112).

Sports Information

Upper left, Erin McSherry grabs the rebound. Above, co-captain Meghan Courtney gets ready to shoot. To the left, Abra Like beats her defender on the dribble.

Senior Meghan Courtney earned Kodak/WBCA All-America honorable mention for Division III, becoming the first Muhlenberg women's basketball athlete to win this honor.

# Men's Basketball

For the second year in a row, the Muhlenberg men's basketball team upset Ursinus in its final regular-season game to nab the fifth and final spot in the Centennial Conference playoffs.

The Mules connected on all six of their free throw attempts in the final 24 seconds of the game to hold off a Bears comeback and win, 76-68. Tom Scott – one of the team's seven seniors – stepped it up in that game and made sure it wasn't the last of his career. He led the Mules with 25 points, seven rebounds, three steals and a blocked shot. He also drew two charges.

Although Muhlenberg lost to Gettysburg in the first round of the CC tournament to finish at 10-15, the season was a memorable one nonetheless, a rollercoaster ride that saw the team follow up an eight-game losing skid with a five-game winning streak.

The Mules started off with a 4-3 record and advanced to the Scotty Wood championship game for the third straight year, with Scott and fellow senior Justin Fields making the all-tournament team.

Following a 109-105 loss to New Jersey in triple overtime, however, Muhlenberg lost 10 of its next 11 games. Even the one win didn't come easy, as the Mules fell behind Gettysburg by six at halftime and needed overtime to secure the victory.

Once February rolled around, a whole new Mules team came to play, and together they pulled out five straight wins to close out the regular season.

The turnaround began when the Mules hosted Franklin & Marshall – the same team that had started their eight-game winless streak nearly a month earlier – and found themselves down by 14 at halftime. The Diplomats increased their lead to as many

as 18 with 18:19 to go in the final

period, but Muhlenberg decided it was tired of losing and roared back, much to the delight of the nearly two dozen former Mules in attendance who returned to play in the alumni game. Muhlenberg took a one-point lead on two free throws by senior Jimmie Riggins with 6:07 to go and scored the winning points when Scott hit two free throws with 2.2 seconds left.

The 71-69 victory was followed by wins against Swarthmore, McDaniel (by one point) and Dickinson (in overtime) as the Mules pushed their way back into the playoff picture heading into the game at Ursinus, which had beaten Muhlenberg by 40 points in the first meeting.

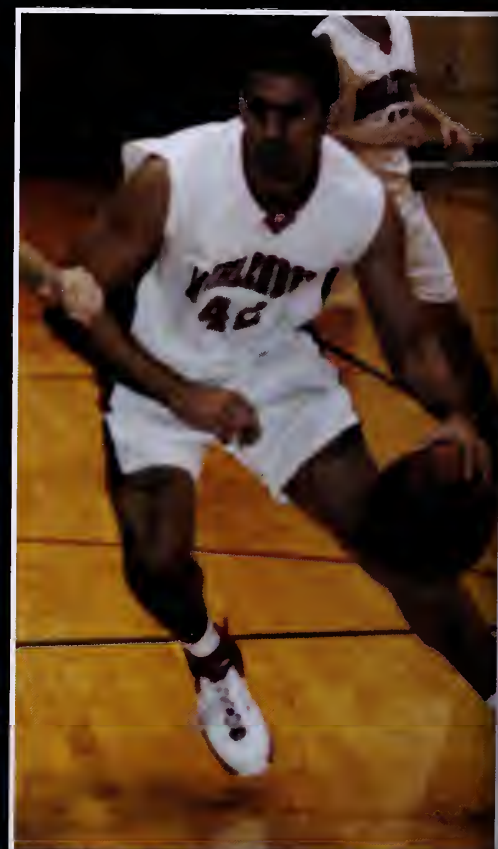

Scott carried the team late in the season, averaging 20.2 points and 8.3 rebounds in the last six contests. His performances earned him back-to-back CC player of the week honors.

Scott wasn't the only one to play well

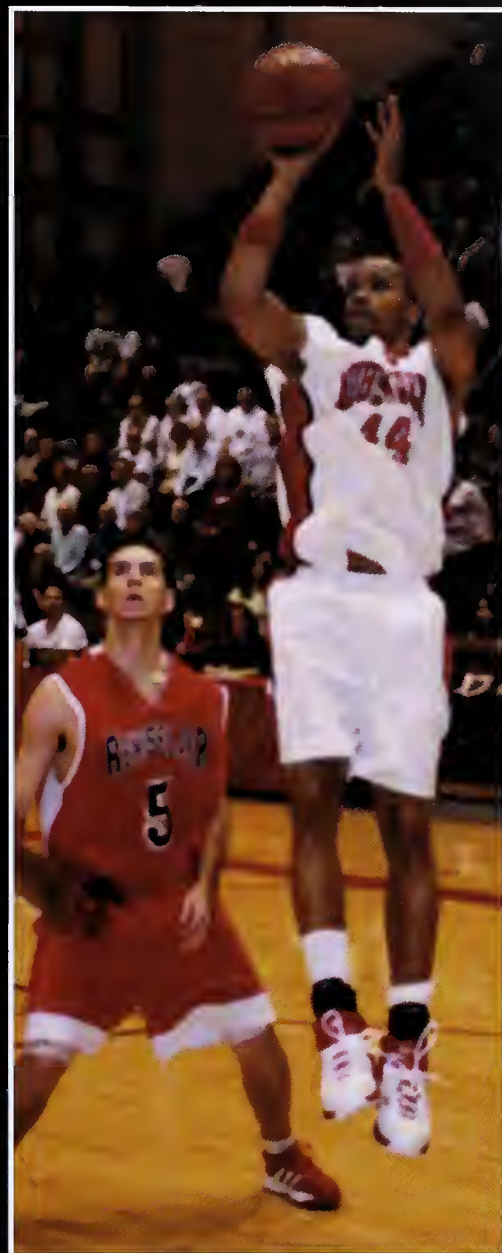

during that stretch, however, as several other players scored in double figures at least once. Sophomore Mike Bernardini seemed to make up for the five games he missed due to injury earlier in the season and scored at least 10 points in each of the wins. He even notched a career-high 28 points against Dickinson.

The Mules graduated a senior class that played a large role in the team's success. Scott led the team in scoring with 11.4 points per game, and Chris Huber was close behind with 11.0 ppg. Huber was also the team's leading three-point shooter, making 50 long-range shots. Riggins, meanwhile, commanded the boards and pulled down 6.0 points per game, and Brandon Mefford piloted both ends of the floor, leading the team in assists (69) and steals (23).

To the left, senior co-captain Tom Scott dribble the ball up the court. Directly above, senior Jimmie Riggins pulls up for the jump shot.

This season the Muhlenberg Track and Field Team was composed of talent in all areas. Clockwise from the top left, freshman Bill Ryan gets ready for the start of the race, Lucy Brock flies over a hurdle in the 55 hurdles. To the right, Patrick Thorton and David Chesney line up for their race. Above, senior Katie Hesselink-Hicks clears the high jump bar.

# Indoor Track & Field

Top photo, senior Rachel Drosdick plummets into the long jump pit. Below, senior Tim Seeley leans forward awaiting the gun.

The Mules finished the 2007 indoor season with record setting performances. At the conclusion of the season, a total of 9 men and women's indoor records had been broken.

On the girls side, freshman Alex Faust was one of the Mules top performers competing in the pole vault and sprints. At the conference meet competed, Faust competed in only one field event, winning the pole vault with a meet-record height and tied for the Most Outstanding Field Performer.

At the conference meet, the women's team placed third. There were two gold medalists with Faust in the pole vault and Katie Hesselink-Hicks in the high jump. Other top performers were junior Erika Koop who placed second in the high jump, and freshman Debra Crockett who placed second and broke the school record with a throw of 36-8 feet.

After this meet three female mules qualified for ECAC's including Faust in the pole vault, Hesselink-Hicks in the high jump and senior Rachel Drosdick in the hurdles and the long jump. Faust broke the school record at ECAC's with a jump of 11-6 1/2 feet in the pole vault.

On the men's side, the team was lead by a crew of veterans. During the indoor season, numerous school records were broken including Matthew Sallesse in the shot put with a throw of 48-8, sophomore David Chorney in the 3,000 meters, Stuart Udis in the 1,000 meters and Dan Steinhart in the 200 meters sprint.

These performances combined with a NCAA qualifying cross country team carried the Mules through a long season with impressive performances at the Lafayette-Rider Games and the Centennial Conference Championship.

The men's team placed fourth with strong performances from the men's 4x800 team who defended their 2006 gold medal victory in this event.

At ECAC's two individuals placed with senior Lex Mercado finishing sixth in the 800 meters, and Chorney placing eighth in the mile.

# Wrestling

The numbers all added up for the Muhlenberg wrestling team in 2006-07.

The Mules had four national qualifiers and a three-time All-American and finished number two in the Centennial Conference in one of their best seasons ever.

The team accomplished all it did with a starting lineup that included only two seniors, pointing to a future filled with more big numbers.

Muhlenberg showed its potential in the early-season tournaments, crowning at least one champion at each. Sophomore 141-pounder Rob Kein took first place at Kings, and three weeks later he won another title at Messiah, defeating the top-ranked wrestler in Division III in the process and earning Most Outstanding Wrestler honors.

Sophomore Billy Hall, who began the season competing against Kein at 141, found success when he dropped back down to 133, earning a national ranking after joining Kein in the winners' circle at Messiah.

Senior Matt Loesch (197) made his season debut in January, his return to the mat

delayed by an injury suffered while playing football, and won his first tournament, the Roger Williams Mid-Winter Classic. Junior heavyweight Joe Tartar, also back from an injury that caused him to miss the entire 2005-06 year, captured his first career tournament title at Roger Williams.

Hall and Tartar won their weight classes to lead the Mules to first place at the Washington & Lee Invitational – their first regular-season tourney title in 15 years. A Muhlenberg wrestler placed in the top four at all but one of the 10 weight classes.

A 6-4-1 dual-meet season, which included an 18-18 tie with 27th-ranked New York University, set the stage for the CC Championships. Muhlenberg gave four-time defending champion Ursinus a run for its money, but ended up finishing second by 11 points – its first time in the runner-up spot since 2002. And whereas the Bears did not win

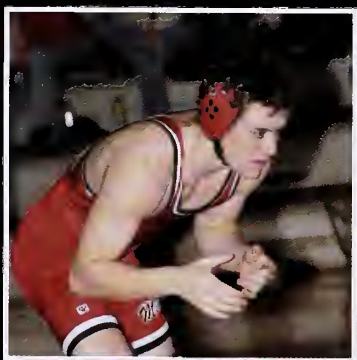

any weight classes, the Mules crowned four champions (Hall, Kein, Loesch and Tartar), all of whom earned bids to the NCAA Division III Championships.

Although Muhlenberg had one of the largest contingents at nationals (only five schools sent more than four wrestlers), only Loesch found success, finishing sixth to become the first three-time All-American in CC history.

Loesch ended his brilliant career with a record of 90-16, including a 40-0 mark against CC opponents. Hall and Tartar both went 24-7 on the season and tied for the team lead with 13 pins, while Kein finished at 23-4.

Junior Joseph DeCampo (20-11 at 149) and sophomore Matt Horn (20-12, third in the CC at 184) also reached the 20-win mark, and sophomore Justin Fitch was 19-12 at 174 in his first season as a starter.

Mike Falk  
Sports Information Director

Above, sophomore Rob Kein cautiously approaches his competitor. To the right, a Mule slams his challenger down onto the mat for a pin.

On top, junior David Lavin approaches his opponent. To the left, junior Joe Tartar tries to break free from his opponent's grip. Directly above, senior Matt Loesch puts his opponent in a vigorous head lock.

# Cheerleading

The Muhlenberg College cheerleaders are an enthusiastic, dynamic group whose mission is to carry the MULE spirit in support of 'Berg teams, fans and the entire Muhlenberg community. Muhlenberg fields a competitive coed squad of approximately 20 women and men.

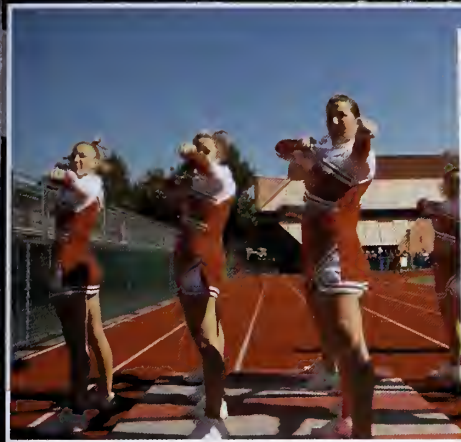

Primary cheering events are football and men's basketball games, as well as occasional participation in special programs and celebrations. The Muhlenberg cheer team qualified to compete in the 2003 College National Championship in Orlando, Fla., where it finished eighth in Small Coed Division II.

The squad finished in first place at the 2002 Cheertech Northeast Championships, held at Temple University. Like most Muhlenberg students, the cheer team members are involved in many aspects of college life. Cheerleading, although demanding, is not so time consuming as to limit involvement in other activities.

-Mike Falk  
Sports Information Director

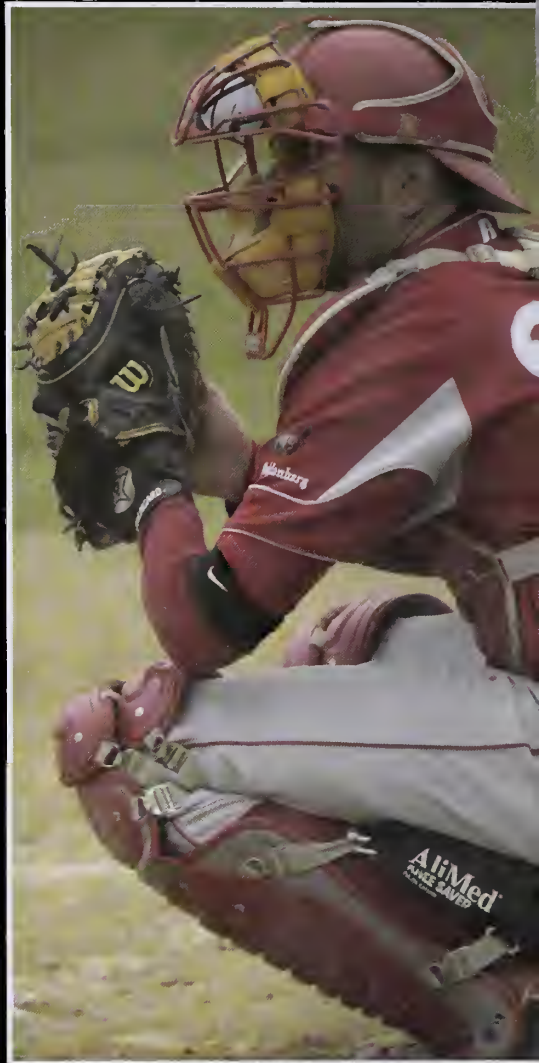

*"... Carry the MULE spirit"*

# Baseball

Individual milestones and a three-game hitting tear highlighted the 2007 Muhlenberg baseball season.

The Mules had two players record their 100th career hits and one break the school record for career RBI in a 9-25 campaign. The team also achieved a program first by scoring at least 15 runs in three consecutive games.

Muhlenberg opened the season playing an aggressive brand of ball on its season-opening trip to Orlando, Fla. Stolen bases and squeeze bunts were frequent calls; the Mules had two straight steals of home in the first five games, one on a triple steal, and swiped 12 bags in a 14-0 shutout of Wisconsin Lutheran.

The team struggled when it returned to Allentown and won just one of its first nine northern games. Then in a span of five days, Muhlenberg knocked off Moravian, 15-5, and swept Swarthmore, 16-6 and 18-12, batting .455 as a team over the three games.

The momentum did not last, though, as the Mules dropped 11 of their next 12 before closing with a 7-6 win against DeSales.

Senior Pete Oris drove in three runs in the finale to become the program's all-time leader with 113 career RBI. He hit .317 with a team-leading 25 RBI in 2007.

Oris was one of nine seniors who closed out their careers. Ryan Sassaman finished his career third on Muhlenberg's lists in hits (153), runs (104) and stolen bases (42).

Sassaman, the Mules' lone All-Centennial Conference selection (first team), hit .319 and led the team in hits (38) and runs (27); A.J. Bettini batted a career-best .365; Mike Hart joined the 100-hit club; and Matthew Block hit .269.

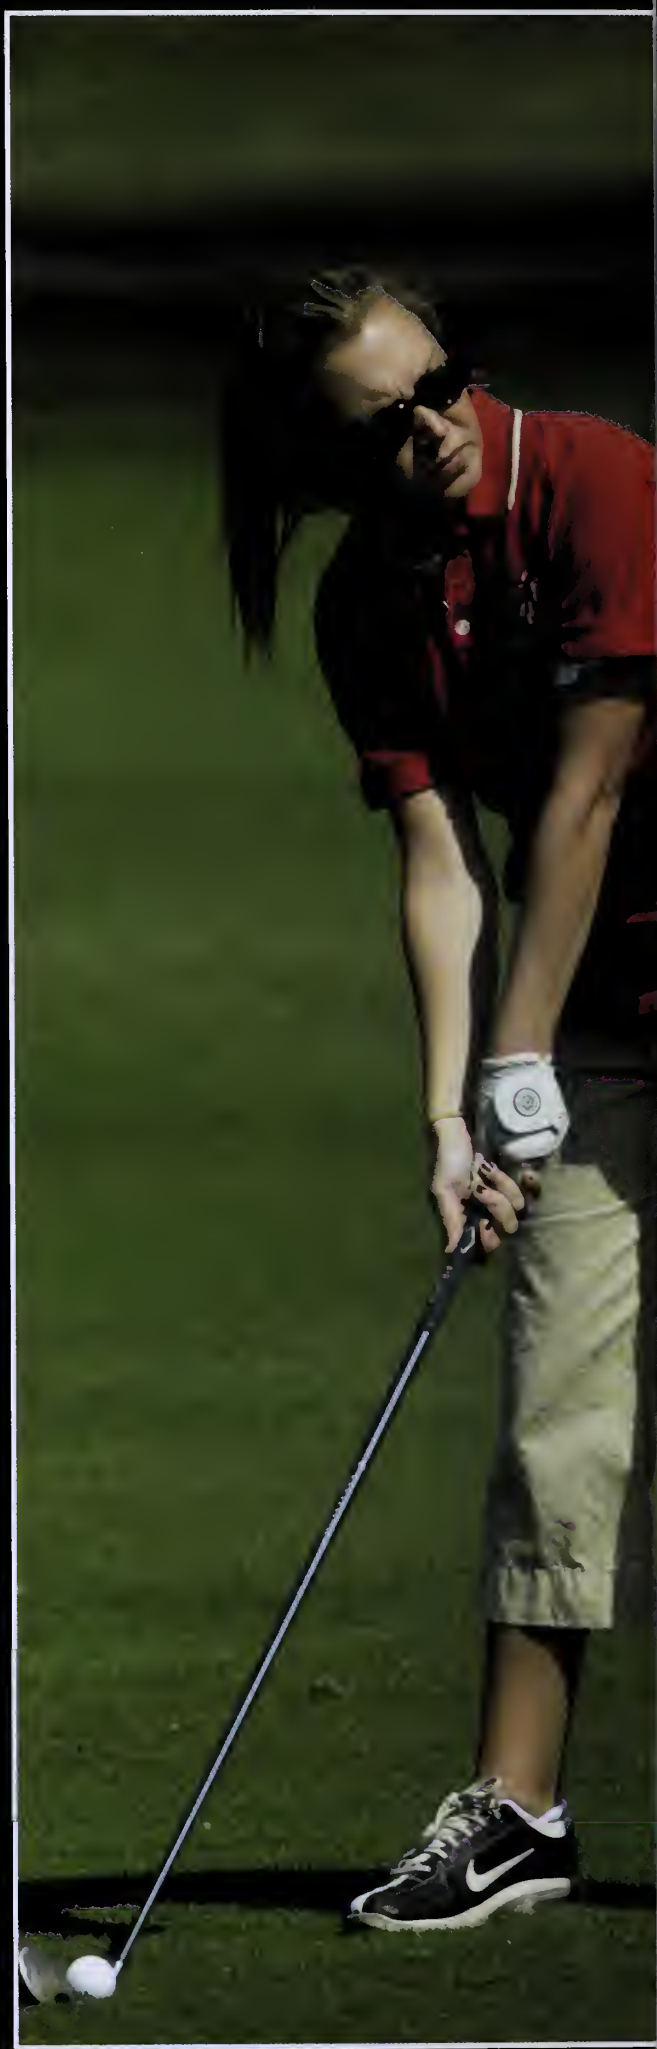

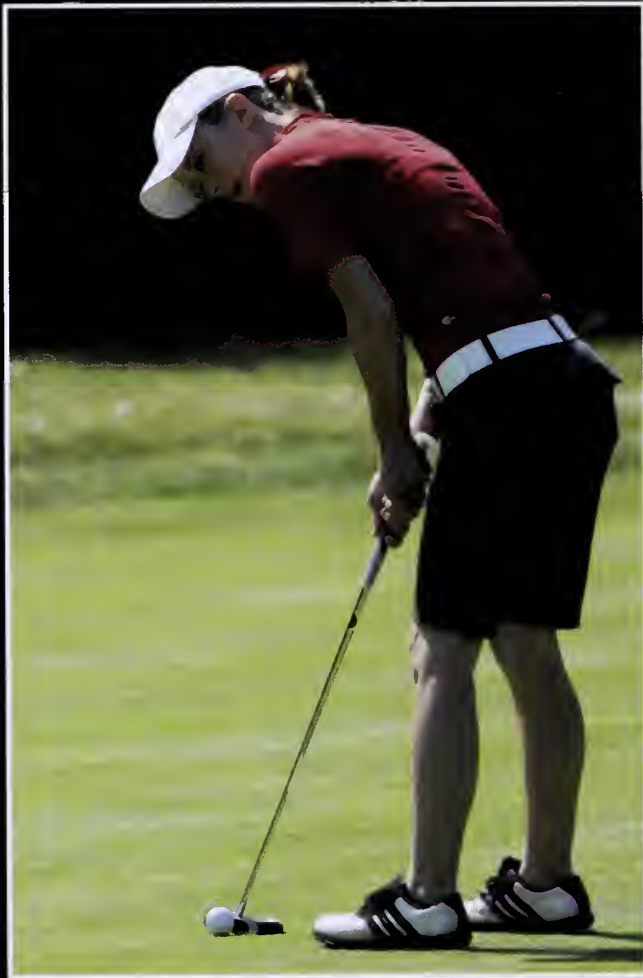

On the mound, Eric Wolfer served as the closer and posted a 1.08 ERA, and Dave Andrew won two games in his first season with the team. Two seniors who had been pitchers their entire careers made noise with the bats, as Tom McDonald hit .297 as a first baseman, and Jason Bonder went 5-for-5 against DeSales.

Among non-senior returnees, junior Joe Carlo hit .319 with a team-leading 13 stolen bases and recorded his 100th career hit. Sophomore Christian Conti emerged as the starting centerfielder and hit .321.

Muhlenberg also displayed some outstanding freshmen. Dan Fisher started at third base the second half of the season and hit .379 with a .500 slugging percentage. Short-stop Eric Pomroy hit .324 and tied a school record with six hits in the second Swarthmore game. Lefty Phil Cresta was the ace of the staff, going 3-3 with a 4.45 ERA and 40 strikeouts.

Clockwise from the top left, Mike Hart hits a fly ball, the catcher A.J. Bettini, gets ready for the pitch. Directly above, Joe Carlo gets ready to run after hitting the ball. To the left, Tom McDonald gets ready to launch a fastball. Far left, Coach Corey Goff goes out to the pitching mound to talk to the pitcher and catcher.

# Women's Golf

The women's golf team sat pretty in 2006-07 as the only Muhlenberg squad to win a Centennial Conference championship – and the Mules did it in impressive fashion.

As a team, the Mules finished the first day of play in first place with a season-low 351 through 18 holes, and they held strong through the unfavorable weather conditions of the second round as well. Their total of 724 strokes was the second-lowest in CC

history and was 30 strokes ahead of second-place McDaniel, the five-time defending champion. It also broke the previous College record for a two-day tournament – which this team set one week earlier at Kutztown's Golden Bear Invitational – by 42 strokes.

Freshman Kimberly Snyder made an immediate impact for the Mules, breaking the school record for lowest round in each of her first three tournaments. She also earned medalist honors at the CC meet by shooting a 162 over the two days of competition; and with the win, she became the first CC player of the year in Muhlenberg women's golf history. Snyder led the CC with an average of 81.7, breaking the previous school record by more than 12 strokes.

Junior Dana Lynn Bielecki

finished the CC meet in fourth place for the second year in a row, tying Snyder with an 86 in the second round. Senior Kristen Amore finished in a tie for eighth by shooting a 185.

Sophomore Hayley Cush showed great improvement throughout the season, shooting a career-best 96 at the CC Championships. Senior Laura Fazio rounded out the Mules' championship five.

On the opposite page, far left Lindsay Scott tries to get out of a sand dune. Senior Sarah Ivosevich looks to get the ball on the green. Far left, below, Kimberly Snyder tries to make a putt.

The Mules won the conference championship and are shown above with the trophy. To the left Kristen Amore uses a wedge to get the ball onto the green.

# Men's Golf

They're movin' back on up, just as they hoped they would.

After winning the Centennial Conference championship in 2004, the Muhlenberg men's golf team slipped to seventh place the following year but has increased its finish at the final meet in each of the last two seasons.

With no seniors competing, the Mules finished in fourth place in 2007 and were closer to first (20 strokes) than to fifth (26 strokes). Sophomore Geoffrey Kelleman tied for the best round of the tournament

with an even-par 72 on the middle 18 holes and finished eighth with a three-day total of 233.

Kelleman's teammates were not far behind him. Sophomore Bill Snow shot a 236, including team-bests in the first (74) and third (76) rounds, and freshman Chris Trapp contributed a 238. Rounding out the Mules' top five were freshman Biff Slocum and junior Garrett Carpenter.

For the year, Slocum led the team with a 78.4 stroke average, shooting in the 70s in 11 of 15 rounds. He posted

the highest individual finish of the year when he tied for second by shooting a 76 at the Muhlenberg Invitational. The Mules also earned their highest finish of the year – second place – at that meet.

Snow finished with an 81.1 average, followed closely by Carpenter (81.4), Kelleman (81.5) and Trapp (81.9).

Above, a freshman Mule chips the ball onto the putting green. Directly to the right, Bill Snow putts trying for a birdie.

Above, sophomore Geoffrey Kelleman uses the wedge trying to get the ball onto the green. To the left, a Mule admires his perfect drive.

# Women's Lacrosse

For the second year in a row, a tough Centennial Conference schedule put a bit of a damper on an otherwise successful season for the Muhlenberg women's lacrosse team. Although the Mules won nine games – just one shy of the school record for victories in a season – their 2-7 conference record meant the playoffs were out of the picture once again.

Still, the Mules put together a season to remember.

Muhlenberg began the 2007 campaign on a hot streak. With a 13-5 win

over Widener, the Mules completed a five-game winning streak – bringing their overall streak to six in a row, dating back to the final game of 2006. The run set a school record for most consecutive victories, squashing the previous record set a year earlier.

After struggling against strong conference teams that included eventual Division III champion Franklin & Marshall, plus two other squads that ended the season ranked in the top 25 in the nation, the Mules closed out 2007 with a 12-goal victory over non-con-

ference rival Neumann.

In that game, the two seniors and team captains – Katie Reimann and Kelli Sakonchick – became the winningest class in school history with 32 victories.

The accomplishments didn't stop there for the duo. Sakonchick graduated from Muhlenberg third all-time with 79 caused turnovers, and Reimann finished her career third in assists (52), ninth in points (126) and 13th in goals (74). Both were named to the All-CC second team.

In 2007, Reimann was fourth on the team with 45

points on 31 goals and 14 assists. Leading the offense was sophomore Ruth Morrongiello, who notched 50 points on 39 goals and 11 assists, moving her into the ranks of the all-time leaders at Muhlenberg after only two years with the team. She also led the squad with 47 draw controls.

Sophomore Sara Hiller and junior Taylor Armstrong each contributed 46 points for a 2.88 points per game average, allowing them to round out the top 15 in the conference in that category.

Left, freshman Alyssa Bascelli flies by Dickson. Below, junior Taylor Armstrong carries the ball looking to pass.

Above sophomore Marguerite Farrell scoops up a dropped ball. Left, sophomore Ruth Morrongiello tries a spin move to get around Dickinson.

On the right, senior Sean Toohill blows by his defender racing towards goal. Below, the team gathers in for a huddle before the game begins.

# Men's Lacrosse

The Muhlenberg men's lacrosse team took another positive step in 2007, finishing with a .500 record (6-6) for the first time in the five years since the sport was reinstated.

They didn't make the playoffs in the tough Centennial Conference, but the Mules stayed positive throughout. One of their best games came after they were eliminated from playoff contention. Trailing 5-2 early in the third quarter in the next-to-last game of the season, Muhlenberg stormed back for a 12-8 win at McDaniel.

The Mules began the season with three straight wins, all on the road, including a 7-6 victory at Randolph-Macon that improved the team's record in overtime games to 6-0. Muhlenberg also came back from a 5-2 deficit to win at Kings Point, 12-8.

All six of their wins came on the road, but they were 0-4 at Scotty Wood Stadium. In one of those games, Muhlenberg was tied with Haverford in the fourth quarter before falling, 7-5.

Senior Sean Toohill scored three points in the

finale against Ursinus to tie the school record with 106 career points. He also graduated with 75 goals, just two shy of the school record, as well as third all-time in assists with 31.

Earlier in the season, the Mules battled Swarthmore and came out with their first CC win when senior Kyle Hart broke the school record for career ground balls. He graduated from Muhlenberg with 173 and led the team in 2007 with 39, earning him second team all-CC honors.

Fellow graduating senior Steven Toto tied for

third on the team with 29 ground balls and ended up third in team history with 145 for his career. Sophomore John DeLuca and freshman Matthew Schreoder also had solid seasons on a defense that allowed fewer than 10 goals per game in the CC for the first time.

On the offensive end, Toohill led the way with 27 points on 19 goals and eight assists. Farris earned All-CC honorable mention honors for his efforts.

On the left, junior James Corley thrusts an elbow in the direction of his opponents, pushing him out of the way. Directly above, junior Kyle Farris looks to pass the ball. Far left, senior Cliff Burwell heads down the field.

# Softball

The 2007 season was a tease for the Muhlenberg softball team. The Mules had several outstanding days on which they appeared to be poised to get on a roll, but they never did.

Muhlenberg finished the season with a 9-23 record, snapping an incredible run of 22 straight years with double digits in victories – a College record for all sports.

The Mules looked like playoff contenders when they started out 5-3 in the Centennial Conference. Muhlenberg averaged nearly seven runs a game in splitting with Gettysburg (the eventual CC champion) and sweeping Franklin & Marshall, but then was shut out in both ends of a twinbill against Swarthmore.

In an ensuing doubleheader sweep of Washington, the Mules scored 13 runs on 18 hits in the second game. The bats died down for good after those games, however. The team scored only nine runs in its remaining 10 games, winning just once. That one win came in extra innings against CC regular-season champion Ursinus, showing that Muhlenberg was capable of playing at a high level.

On their season-opening trip to Florida, the Mules battled pre-season No. 1 Muskingum tough in a 4-3 loss. They had another near-miss back north when they were five outs away from their first win in 28 games against The College of New Jersey, but a four-

run sixth inning resulted in an 8-5 setback.

For the first time in their history, the Mules hit two grand slams in a season. Senior shortstop Tina Roth hit an inside-the-park slam in a 9-6 win against Heidelberg, and sophomore catcher RiRi Ferrigno drove in four with one swing at Franklin & Marshall. Roth earned second-team All-CC honors after hitting .346 in CC games (.280 overall), while Ferrigno led the team in RBI for the second year in a row, with 21.

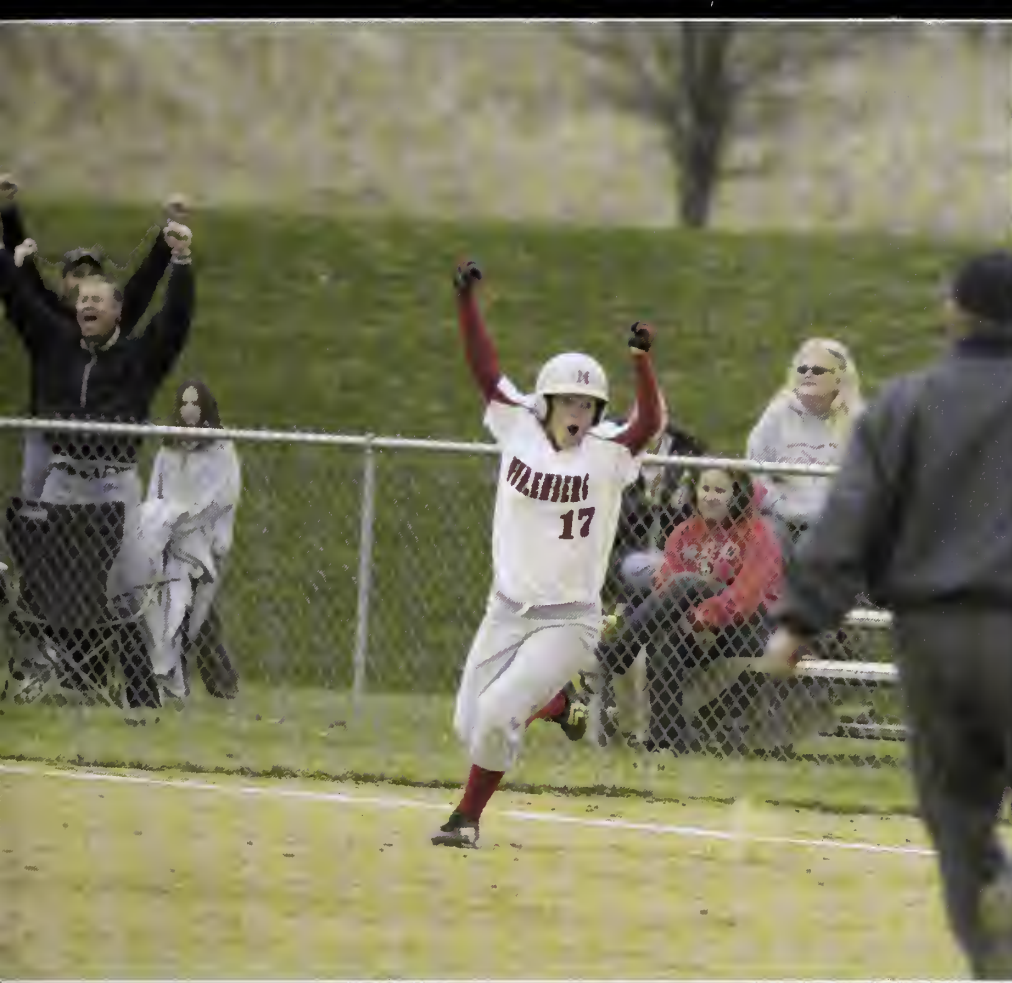

Senior Hilary Marinchak sparked the team from her leadoff spot, hitting a team-beat .291 with 15 stolen bases to earn All-CC honorable mention. Sophomore Samantha Crist ranked among the CC batting leaders for much of the season before finishing with a .287 average.

---

Pitcher Nicole Washburn  
throws another strike.

After hitting a home run, sophomore Samantha Crist rounds past first base cheering for victory. Bleow, sophomore RiRi Ferrigno gets ready to recieve the pitch.

Senior Hilary Marinchak goes for the bunt.

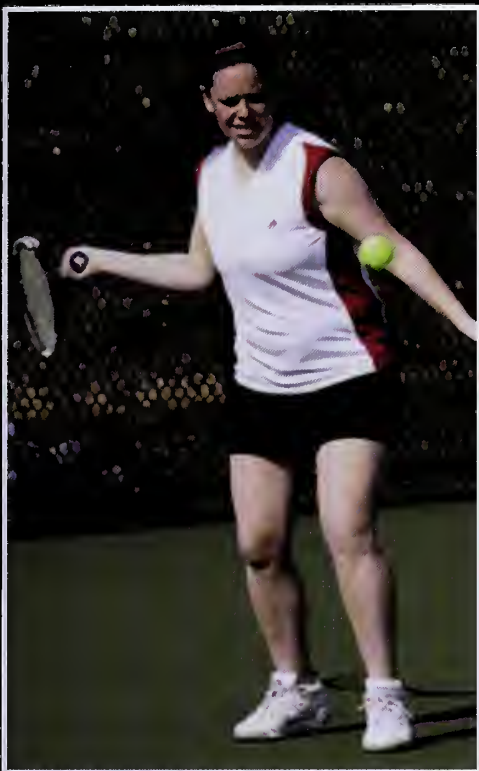

*A season to remember...*

On senior day, Pam Kimmelman, the only senior on the team won the first nine games of the match in a 6-0, 6-2 victory that helped the Mules to a 5-4 win against Gettysburg in their last Centennial Conference home match of the season.

# Women's Tennis

The Mules end the season sweeping their opponents in single and double matches.

The Muhlenberg women's tennis team relied on the power of three in 2007.

The top three players in the lineup – sophomore Jenn Powell at No. 1, senior Pam Kimmelman at No. 2 and sophomore Carly Kimmelman finished her career with a combined record of 92-38. She ranked second in program history with 84 combined wins in spring dual matches.

Rotfeld at No. 3 – had fantastic seasons, but too often it was not enough to lift the Mules to victory.

Eight times in 14 matches, Muhlenberg scored four points by winning at first

through third singles and first doubles. It takes five points to win a match, however, and the Mules finished with a record of 5-9. All nine of their losses were to teams that were ranked in the Atlantic South region during the season.

Powell, who played No. 4 as a freshman, moved up to the top spot and went 9-5, including a 7-3 mark in the Centennial Conference. One of her wins came in straight sets against an All-Centennial selection, and another was against the Commonwealth Conference player of the year.

Kimmelman finished her career on a high note, going 12-2. She reeled off 10 straight victories in one stretch, dropping only 27 games and blanking consecutive opponents, 6-0, 6-0.

Rotfeld had the longest winning streak of the season, starting out 11-0 before dropping a match in a third-set supertiebreaker. She ended up with a 13-1 singles mark, winning at least one set 6-0 in seven of her 13 wins.

The terrific trio combined for a 34-8 singles record (24-6 in the Centennial Conference). Powell and Kimmelman also combined for a 10-4 record at No. 1 doubles, including wins against the 17th- and 26th-ranked doubles teams in the region.

To the right, sophomore Carly Rotfeld steps towards the ball smacking it across the net. On top, senior Pam Kimmelman returns the first serve of the game. Directly above, sophomore Jenn Powell finishes off her match with a winning hit.

# Men's Tennis

Muhlenberg wrapped up the season with a victory against Elizabethtown.

Twice during the 2007 season, the Muhlenberg men's tennis team started a match, only to have it cancelled when the rain came. Like those matches, the return of the Mule program to the upper levels of the Centennial Conference got underway, but was unfinished.

Muhlenberg went 5-7 in the spring, a one-win improvement from the previous year. Even though the Mules finished 2-6 in the CC for the fourth straight season, they showed signs of a promising future. Their young team frequently included three freshmen and a sophomore in the six singles spots.

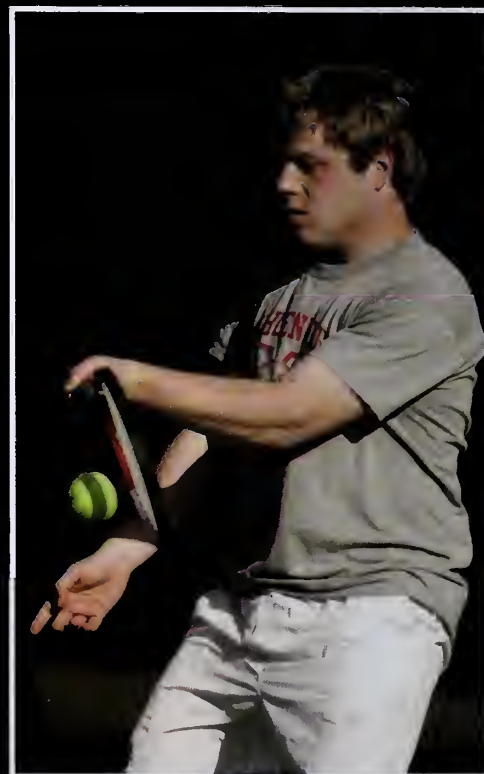

Injuries also played a role in the record, as only one player started at singles in all 12 matches. With improved health and greater experience, Muhlenberg should be ready to make its move next year.

Among the highlights of the season were a pair of 5-4 victories. The first came at McDaniel, when the Mules overcame a Green Terror sweep of doubles by winning five of six singles matches. In the season finale, Muhlenberg edged Commonwealth Conference runner-up Elizabethtown.

Four players tied for the team lead with five singles wins apiece – senior Michael DiVita, junior Jamie Goldman, sophomore Brian Wernick and freshman Jonathan Farber. Freshman Mark Apostolos added four, and classmate Robbie Goldwein picked up three wins playing at No. 1 the entire season.

Apostolos and junior Jesse Kirschenbaum combined for a team-best 4-2 doubles mark.

DiVita went 5-1 playing mostly at No. 6 singles and also teamed with sophomore Tim Ness for a 4-5 doubles record.

On top, a Mule uses his back hand to return to ball over the net. Directly above, Jonathan Farber, gets ready to return a serve. To the right, another Mule uses all of his power to send the ball flying over the net.

*A season to remember...*

A team composed of young freshman and experienced seniors provided a successful combination for the Mules, with strong performances from Senior Michael DiVita and freshman Robbie Goldwein, pictured above.

# Outdoor Track & Field

Throughout the 2007 season, the Muhlenberg track and field programs demonstrated why they have been successful in the past and why they should continue to be successful in the future.

Seniors and freshmen garnered most of the accolades in another strong campaign for the Mules. Outdoors, the men's and women's teams both finished second at the Centennial Conference Championships, with the men matching their best showing ever and the women landing in the top two for the third year in a row. Of the eight gold medals won by Muhlenberg individuals at the CC meets, three went to seniors and four to freshmen. Five of the eight runners on the two gold-medal relay teams were seniors and freshmen. A Mule female was named outstanding performer for field events at the CC Championships both indoors (a freshman) and outdoors (a senior).

Senior Sarah Mitchell earned

the honor at the outdoor championships after winning the javelin to become the seventh four-time champion in CC history. Mitchell qualified for the NCAA Championships for the second year in a row, hitting the automatic standard with a school-record throw of 145-4 at The Lehigh Games. She also finished seventh in a field of mostly Division I throwers at the Penn Relays.

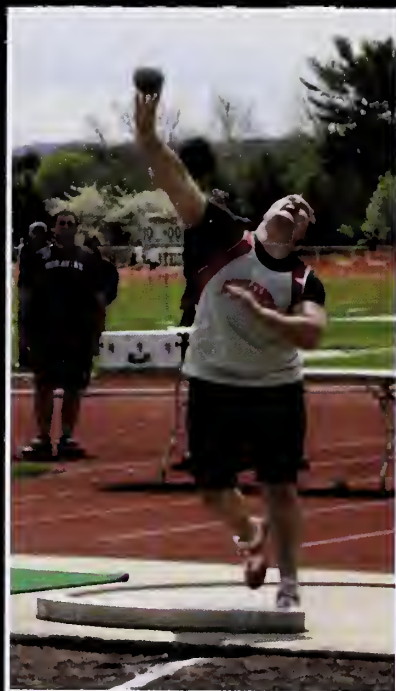

Alex Faust was named outstanding performer at the indoor meet. She won the pole vault with a meet-record height at the CC Championships both indoors and outdoors and set four school records (200 and pole vault, indoor and outdoors). In addition to her CC gold medals in the vault, Faust earned one silver and five bronzes as a sprinter, and she added a gold in the pole vault at the indoor ECAC Championships.

Four other Mules won multiple CC gold medals: senior Katie Hesselink-Hicks captured

the high jump at both meets; and senior Lex Mercado, sophomore Stuart Udis and freshman Patrick Thornton all ran on the 4x800 relay teams that finished first indoors and outdoors. The indoor 4x800 team defended its 2006 title, which was the first not won by Haverford, while the outdoor quartet set a meet record.

Rounding out Muhlenberg's gold-medal winners at the CC Championships were a pair of freshmen at the outdoor meet - Debra Crockett in the shot put and Brendan Kirk in the 400-meter intermediate hurdles. Crockett also broke the indoor school record in the shot put, and Kirk put his name in the record book in his gold-medal performance.

Senior Matthew Sallesse broke the school record in the shot put both indoors and outdoors, toppling a 31-year-old mark outdoors.

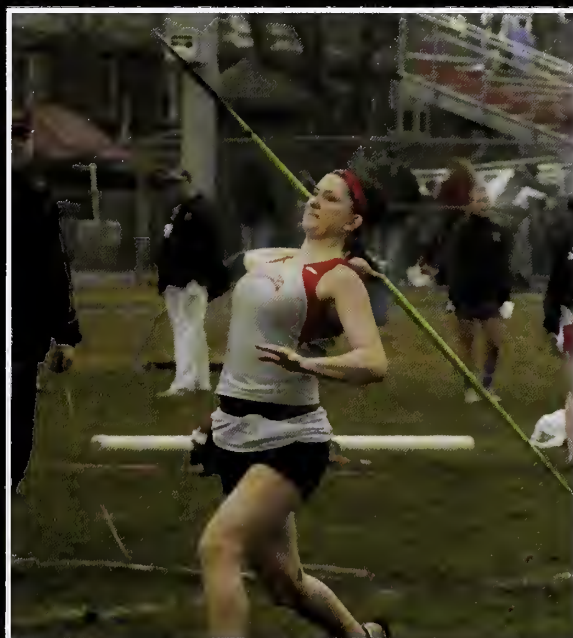

Above, Matthew Sallesse throws a record breaking throw in the shot put. To the right, Eric Miller and Brendan Kirk complete a handoff in the 4x100 meters. To the right, Lauren Carballo flies through the air into the pit.

Left, Adam Carter prepares to run over the hurdle. Far below, Emily Karel has a fast start out of the blocks. Directly underneath, Sarah Mitchell launches the javelin.

"With the experience of an accomplished senior class and a combination of fast races on the track, and extraordinary performances in the field, the Mules have had an unforgettable season."

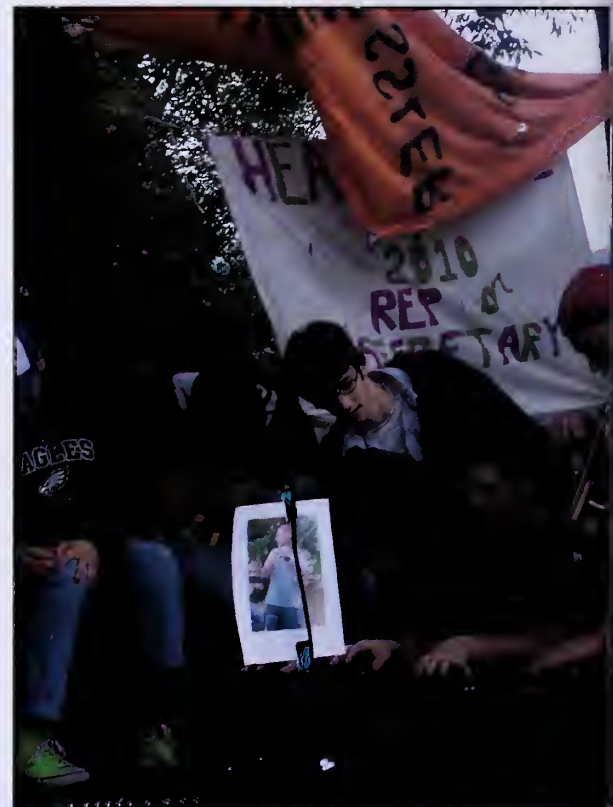

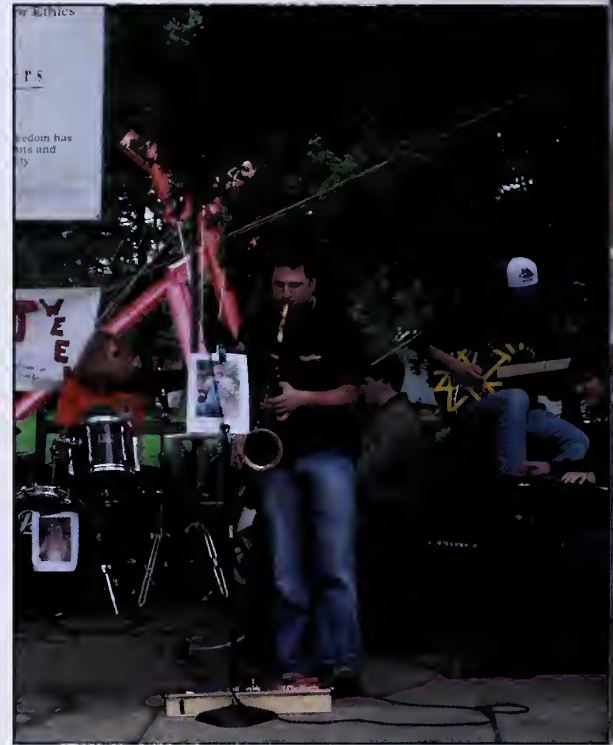

Matt Katz warms up his saxophone before an afternoon of entertainment.

(Above) Matthew Katz and Sam Swan share the mic for an improv jazz piece.

(Right) Michael Kurtz, Matthew Katz, and Sam Swan join together to play an original piece.

Michael Kurtz jams on his melodica with Matthew Katz, Jordan Miller, and A.T. Shire backing him up.

Sam Swan, Jordan Miller, and Justin Mayfield gather in Parents Plaza to play.

# Music in the Streets

Muhlenberg College has always prided itself on its wide variety of talented students and the many opportunities these students have to express themselves. In early September Sam Swan gathered some of his musically inclined friends to play for the students in Parents Plaza. This impromptu concert was held to attract attention for Sam's

campaign for the position of president for the freshman class. Many students stopped by on this beautiful Saturday afternoon to hear some incredible, student written music and to cheer on their friends. Members of his band included Michael Kurtz, Matthew Katz, Jordan Miller, A.T. Shire, and Justin Mayfield.

# Welcome to Muhlenberg!

This year, Muhlenberg saw the arrival of its largest freshman class ever. In late August, over six hundred freshman students arrived at their new home at Muhlenberg College. The first thing the freshman class did on campus was participate in Student Advising Orientation. During these three days freshman worked in groups to get acquainted with the school, attend interesting

speakers, and conduct team building activities. At the end of orientation the freshman class gathered in the chapel for their commencement ceremony where President Helm shared with them the many exciting challenges and experiences that they would soon face in their future college careers. Though many students felt nervous or anxious about starting col-

lege, freshman students made friends quickly and soon became part of the Muhlenberg College Community. Freshman gathered in the freshman courtyard between Walz, Prosser, and Brown, hung out with friends in GQ, and joined many fun clubs and activities. The freshman class certainly made their impact on the Muhlenberg College campus as the largest class in the school.

One student advising group works together on this difficult maze challenge.

During advising weekend freshman learned how to communicate and work together with their new peers. They also had a lot of fun in the process!

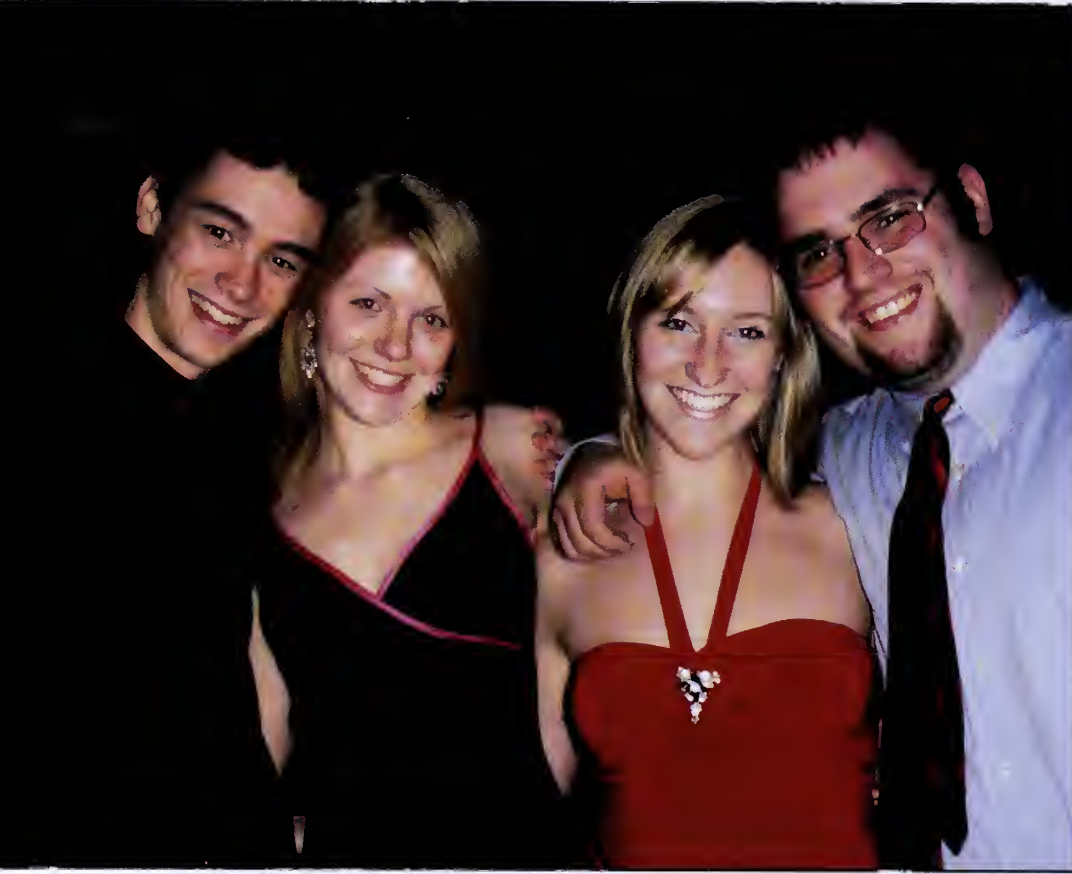

New freshman friends can't help but smile as they enjoy their first year at Muhlenberg. Freshman year is one of the most memorable as students have a chance to get acquainted with the campus and meet lots of new people.

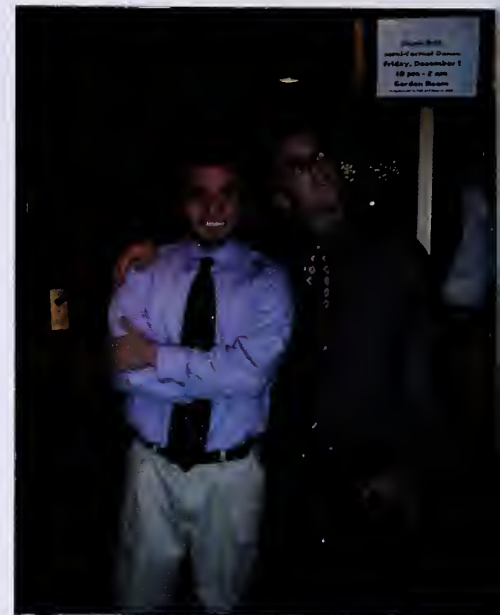

A freshman student advising group poses in the Haas building before convocation. Convocation marks the end of the orientation period and kicks off the first day of classes the following day.

Pat Fligge, Kaitlin Wedemeyer, Laura Cole, and Andrew Horrow pose for a picture before leaving the dance.

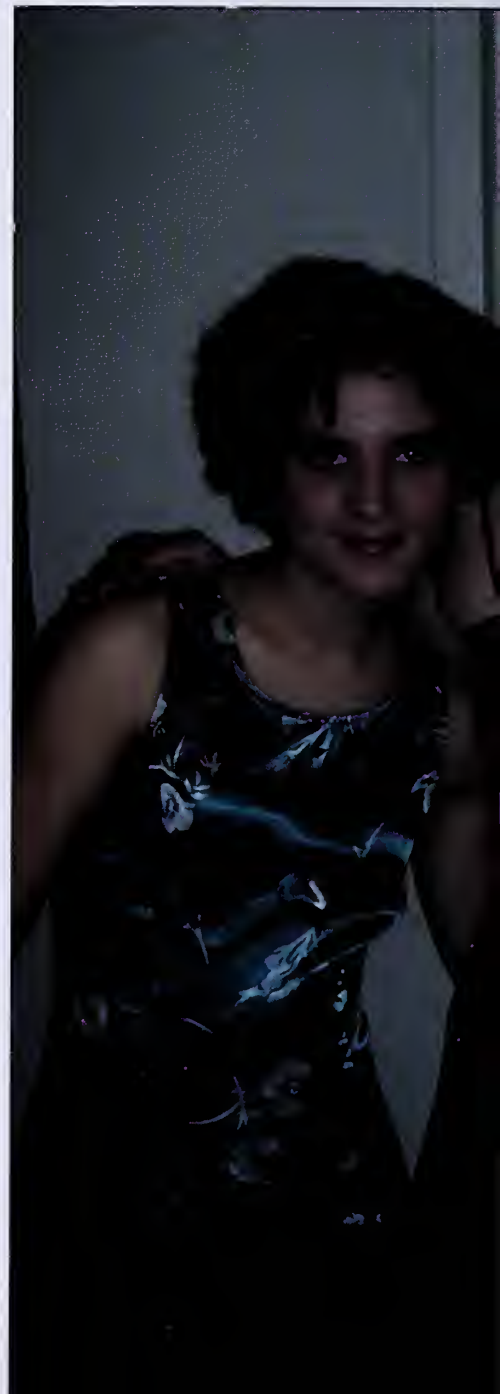

The organizers of the freshman Snow Ball, Joe Armeniti and Jordon Stones take a break from setting up.

A group of friends pose for a picture before entering the dance, looking dressed up and ready for a night of dancing and fun.

Erin Cole, Elizabeth Gaffney, and Kristen Peacock take a minute for pictures while getting ready to leave for the Snow Ball.

# Freshman Snow Ball

On December 1, the freshman class held a winter formal for the class of 2010 only. This was a great opportunity for the freshman class to dress up and spend some time together before the end of their first semester at Muhlenberg. The dance was held in a decked-out Garden Room where a DJ provided music and students danced the night away. The Snow Ball was organized by the freshman council and was a great night for students to hang out and have fun before finals.

**Daniel Mahler and Laura Sukonick**  
dance the night away at the formal.

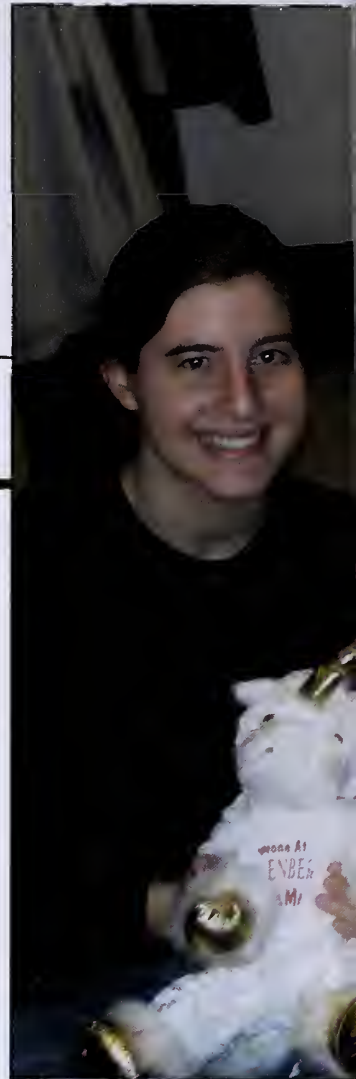

**Elizabeth Gaffney and Yonah Ringles-tein**  
pose for a picture while they take a break from dancing.

# Underclassmen

Four years to live, learn, laugh  
and make memories, which will last a lifetime

Underclassmen at Muhlenberg had the opportunity to expand their knowledge, gain exciting experiences, create solid friendships, and establish a home away from home at college. The four short years pass by quickly, but Muhlenberg students made the most of their time as undergraduates in every way possible.

# UP CLOSE & personal

*with Atom Kallen...*

The best part about coming to Muhlenberg was finding people as weird as me. The one who's not pictured, but should be, is Max, who was my 'gateway friend'.

Every circle has one; the guy who brought everyone together for the first time and years later

still manages to be one of the common threads we all have. So thank you to him, and all my friends. Without you, I'd have a lot of really great memories of staring out my window.

# UP CLOSE & Personal

with Megan Prima...

One of my first memories of Muhlenberg College is from freshman year, when my brand new friends and I took an afternoon to explore the entire campus. We started with Academic Row and worked our way up to the President's office, where the secretary graciously gave us a small tour. It wasn't until sophomore year that I discovered the out-of-the-way staircases and passageways in the Trexler Pavilion and the Center for the Arts, and could successfully navigate my way from the box office to the practice rooms without walking past the art studios.

Later still I explored the entirety of Seeger's Union while playing an extensive game of

manhunt, and even this past year I have discovered more places that I hadn't yet seen. As for the future, I know there is still more to learn, and I can't wait to explore my new home with the same sense of adventure.

# UP CLOSE & Personal

*with Madeline Rhodes...*

Ever since I was young I loved creating and designing my own clothing and accessories. Even as a toddler I was very adamant about what I would and would not wear. I remember being very picky with having my own style, even if I stood out or looked silly. When I arrived at Muhlenberg my creative energy blossomed even more so and I began designing jewelry and accessories. Although I am a Religion Studies major, I discovered that I also had a passion for design and coupled with this passion for creating unique designs was my passion to share these designs

with others who love to dress & accessorize uniquely. Thanks to the creative Muhlenberg energy and all of my supporters here at the 'Berg I developed my own line, web site & online store, *Lovemadds*, which has been my pride and joy for the past three years-- not to mention a huge success thanks to the endless support!! So, thanks Muhlenberg for supporting such a precious endeavor and for providing such a wonderful atmosphere in which I was able to thrive not only academically, but also toward my other dreams. with Ashlen Froelke...

Every time I drive by Walz the memories just hit me. I can picture pulling in at orientation scared out of my mind about what the next four years would bring. I had no idea that I would end up actually loving classes, that I would actually miss sitting on the lawn under victors lament and that I'd meet my best friends here. Even though we're graduating I'm taking this

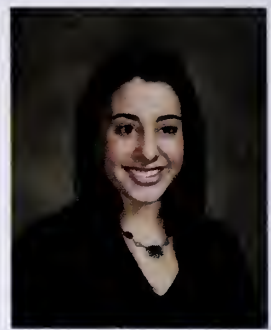

all with me. The memories I have made here will always be a part of who I am and the friends I have met will always be part of my life. If I could give any advice to the other grades it would be to absolutely take advantage of all that Muhlenberg offers and to spend as much time as you can with your friends. You don't realize how great of a time college is until it's gone.

Congratulations! You've achieved great success at school and you've prepared yourself for a very bright future. We're so proud of you and we love you very much.

Love,

Mom, Dad & Matt

Dear Aaron,

Remember the day you said, this is the place  
To continue growing, to learn with grace  
To make new friends, lifelong we suspect  
To approach the world with love and respect  
The path was unclear with choices galore  
But you traveled with competence, deciding for more  
Of giving and laughing, exploring inside and out  
Communicating philosophies with a businesslike shout  
Now you turn to leave a well tilled row  
To plant new roots in a place you don't know  
We're sure you'll take from 'berg, smiths and 'mere  
What you need to succeed in ways you hold dear  
But know that your character's where your success does lie  
Always there with our love, as you reach for the sky

All our love,  
Dad, Mom and Lauren

"Success is never final. Failure is never fatal. Courage is what counts."

Sir Winston Churchill

Dear Maura,

You have beautifully succeeded in all that you have set your sights on doing and you make us proud each and every day. Your diligence, character, compassion and integrity are inspirational to everyone who knows you. We are blessed you have you in our family.

With love,

Mum, Bob and Justin

MIKE TANZI

## **Jennifer Paige Kuhn**

We have enjoyed sharing every moment of  
your college experience. You did an amazing  
job, and accomplished more than we could have  
hoped for in four short years. Enjoy your future, the  
possibilities are limitless

**“Yes..Were Proud Of That Job”!**

All Our Love, Mom, Dad, Greg, & Joseph

Em, Brit, Ash, Becky, Kayla, and Lucy,  
 College wouldn't have been the same without you all. We've had some grand times I  
 could never forget. I love you all! Muah!  
 Love always, Joce

Joe,

We are so proud of you.  
May all your dreams come true.  
Mom, Dad and Kelly

Kate,

Congratulations! Today is your day.  
You're off to Great Places! You're off and away!  
You have brains in your head. You have feet in your shoes.  
You can steer yourself any direction you choose.  
You're on your own. And you know what you know.  
And YOU are the gal who'll decide where to go.  
And will you succeed? Yes! You will, indeed!  
(98 and  $\frac{3}{4}$  percent guaranteed.) – Dr. Seuss

Love, Dad, Mom, Drew & Stef

Congrats to the class of 2007!  
Good luck and follow your  
dreams!  
-Yearbook Staff

Dear Kristen:

WOW-HOORAY-BRAVO-CONGRATULATIONS-HATS OFF TO  
YOU- WAY TO GO- YOU DID IT!!!!!!!!!!!!!!!!!!!!!!

We know how hard you've worked to get this day and its time  
to celebrate YOU for who you are now and for all you'll be in  
the years to come. You have overcome a great deal these past 4  
years and have shown what a tough little cookie you are. Enjoy  
all the memories of the many accomplishments you have already  
acquired through your years at Muhlenberg. We are so very proud  
of the wonderful young woman you have become. We wish you  
new worlds to explore, new goals to achieve, and new dreams to  
dream. May you enjoy them all- you deserve them!

Congratulations honey- we love you very much and we're just  
bursting with pride!!  
Mom, Dad, Kevin, Gram, and Buttons.

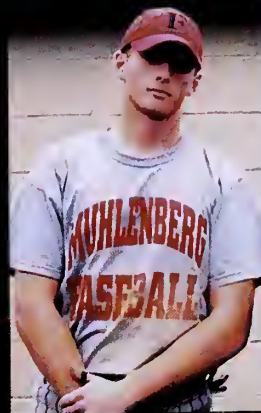

**AMANDA ANNE**

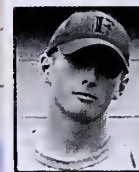

**WE ARE SO PROUD  
OF YOU!  
GOD BLESS YOU AS  
YOU GRADUATE!**

**ALL OUR LOVE,  
MOM, DAD, AND  
KRISTEN**

**Oris excels at Muhlenberg:** Fox Lane graduate Pete Oris has been enjoying a strong freshman season on the baseball team at Muhlenberg.

Pete Oris

In a spring trip to Clearwater, Fla., Oris, who was the designated hitter and cleanup batter, hit .379 with eight RBI in 29 at-bats.

Against Curry, in his first career start, he drove in three runs, including a two-run single in the top of the eighth to break a 4-4 tie. He also had three RBI in a 16-2 win against Salve Regina.

Oris was then named to the Centennial Conference's Weekly Honor Roll after hitting .500 with three doubles and six RBI.

## PETE ORIS Muhlenberg

Saying Pete Oris is on a tear would be an understatement.

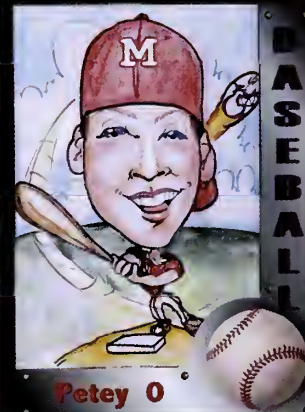

The Muhlenberg junior went 7-for-12 over three games on Sunday and Monday. He cracked three triples and drove in eight runs.

His recent explosion gave him an .857 slugging percentage, tops in NCAA Division III baseball.

"It's flattering to hear that," Oris said. "I never even thought about a stat like that. I'm just trying to win ball games."

For the season, he is hitting .494 with five home runs and 35 RBIs, all of which are team-highs. He is sixth in the nation in batting and RBIs.

"The Morning Call Inc., Copyright 2006"

PETE

ZACHARY SAMUEL FURMAN

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded.

- Ralph Waldo Emerson

We are so very proud of you. Best wishes in all your endeavors.

With Love Always,  
Mom, Dad and Ali

Jason,

While searching for proper "words of encouragement" as you graduate college, we stumbled upon some quotes that we sent to you in September 2003.

"Change has a considerable psychological impact on the human mind. To the fearful it is threatening because it means that things may get worse. To the hopeful it is encouraging because things may get better. To the confident it is inspiring because the challenge exists to make things better ..."

King Whitney Jr., president of Personnel Laboratory Inc., June 1967

Four years ago we sent you this quote as you faced the challenges of change as a freshman at Muhlenberg College. You have proven to be "the confident" person that King Whitney Jr. speaks of. You have faced the challenges of college with great passion and have met with remarkable success.

Now as you face your new challenges in the Israel Baseball League and then continue on, to the JTS for graduate school, we wish you strength, health and happiness always.

"May the road rise to meet you  
May the wind be always at your back  
May the sun shine warm upon your face  
The rains fall soft upon your fields...  
...May G~d hold you in the palm of His hand."  
Irish Blessing

We love you very much,  
Mom, Dad, Alex & Danny

Jeff,

In the blink of an eye, you've grown from our adorable little boy into a successful and caring young man. Words cannot express how proud we are of you and how much we love you. Congratulations on your graduation from Muhlenberg, and may all your dreams come true.

All our love,  
Mom, Dad, and Dave

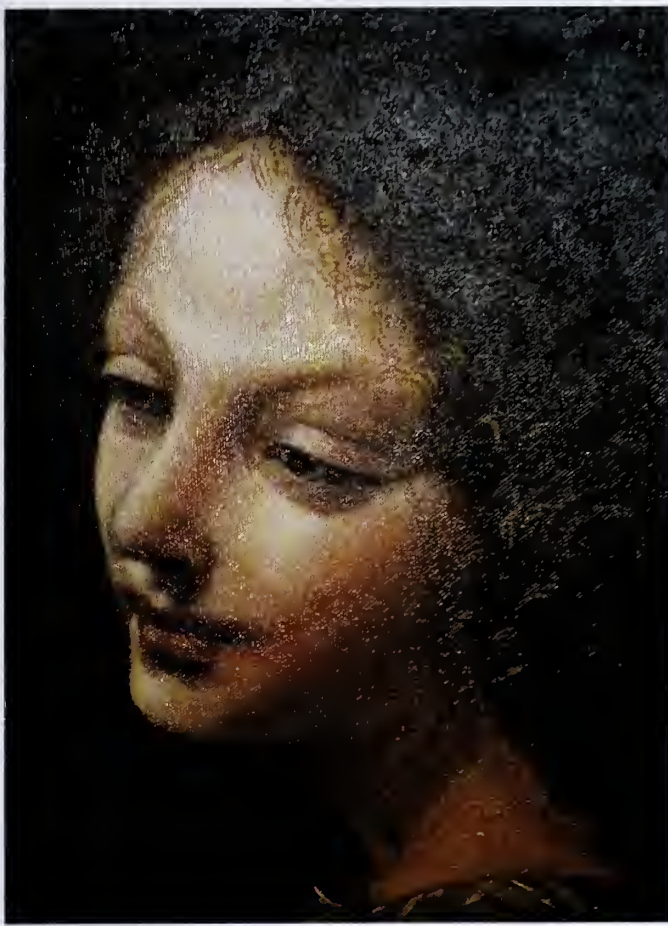

Gillian Greenbaum—

We are proud of all of your accomplishments at Muhlenberg over the past four years and we know that there are many triumphs to come!!

Love XXXOOO—  
Mom, Dad, Jeremy, and Joshua

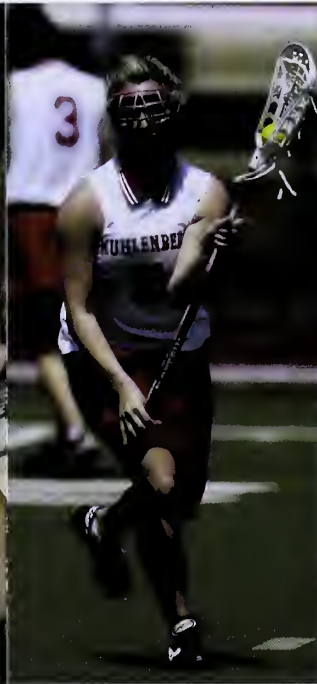

Lauren

You are such a talented young lady, and we are so proud of your many accomplishments. Always follow your dreams and the future will bring you the happiness you deserve. Remember that it's not how much you say, but how much you mean it.

We love you so much,  
Mom, Dad, and Josh

Jennifer  
**GROSS**

Jennifer- you have been and will always be the love and light of our lives- you are an everlasting source of pride for us in all you have achieved- now go out and light the world!

Love always-  
Mom, Dad and Michael

CONGRATULATIONS

**SARA**

WE ARE SO PROUD  
OF YOU AND WISH  
YOU ALL THE BEST IN  
LIFE'S ENDEAVORS!

WITH MUCH LOVE,  
MOM & DAD

**Blair...**

YOU. WE WISH YOU  
CONTINUED SUCCESS  
AND HAPPINESS IN THE  
FUTURE. THE WORLD IS  
YOURS... GO FOR IT!**

**LOVE,  
MOM, DAD AND JUSTIN**

# Emily Sarina,

“Shoot for the Moon,  
and you’ll always  
land among the Stars.”

Your Future is Waiting...

***Congratulations!!!***

*We love you bunches,  
and are so proud of you!*

*Love,  
Mom, Dad & Jonathan*

**PAGE 2:**

Kelly,  
Congratulations on your College graduation!  
What a rewarding time this must be for you, to see your perseverance acknowledged and your hard work honored.

You are the best granddaughter and niece in the world. Stay the same and never change. You are a caring and loving young lady. Wishes and prayers for success in all your endeavors. We love you very much. You have made us all very proud.  
Good luck and success in 'Law School' and always!

Love Always,  
Grandma Anthoula, Grandma Jane and Uncle Nick

Johnny,

It seems just like yesterday when we were waving goodbye to you as you began your freshman year. Those four years have flown by, as you graduate from Muhlenberg College!

Congratulations on all your accomplishments and hard work. You always have and always will make us proud.

We love you so much and wish you the best and much success in your future endeavors.

Mom, Dad, Marianna, Nicoletta,  
Grandma, Grandpa & Maria

RYAN  
SASSAMAN

with much pride

[Y]ou have been a source of pride throughout all of the stages of your life. Your perserverance and hardwork have rewarded your family with great joy and admiration. We love you and are very proud of you. May you find true happiness and great success now and always.

Mom, Dad, and Jamie

# MELISSA ZAMPELLA

Congratulations Melissa!

The time has flown by – from Kindergarten to a Muhlenberg College graduate! We are very proud of you and know you will be a wonderful teacher!

The best is yet to come!

Love, Mom, Dad & Michael

# ASHLEY KAPLAN

Ashley,

From your first spoken word of “zert,” to your valedictory in high school - From becoming a Muhlenberg Scholar, to your acceptance in grad school -

You have always made us very proud. But nothing makes us more proud than to see the mature, independent, loving young woman you’ve become.

You are the cream in the Oreo!

Love,

Mom, Dad, Liza, Amanda,  
Bubbie, & Maggie
